

THANK YOU FOR BUILDING A
**STRONGER,
HEALTHIER
COMMUNITY**

Help Us Get Ready For Winter!

The Outreach Team at Community Action House provides support and partnership to neighbors experiencing homelessness. In addition to providing pathways toward safe housing, we work to meet immediate needs in an effort to keep our neighbors safe and warm during the winter months. Your donations of winter gear directly support our neighbors experiencing homelessness. Items can be dropped off at 739 Paw Paw Drive, near the mural!

Most Needed Items:

- Adult-sized hats, gloves and mittens (waterproof and durable materials preferred)
- Adult-sized tall socks (thicker material preferred)
- Adult-sized coats and snow pants (waterproof and durable materials preferred)
- Twin-sized or larger blankets (cotton and fleece preferred)
- Sleeping bags
- Emergency thermal blankets

New and gently used items are appreciated. Please ensure that used items are in good condition, with working zippers and fasteners. While knitted and crocheted items are lovely, they do not provide the necessary warmth and durability that our neighbors living outside require.

Spread the word! Tag us on social media @communityactionhouse
