

We fund South Carolina's future from Spartanburg

Spartanburg Angels is a professionally managed group of angel investors that invests in the Upstate of SC

Spartanburg Angels

- Group of over 30 individual investors who meet each month to invest their own capital in our most attractive early stage companies
- Partnership between the South Carolina Angel Network (SCAN), the Spartanburg Chamber, and business and community leaders in Spartanburg
- SCAN provides group administration, deal-flow, due diligence processes, transaction execution, portfolio oversight, investor education, and a statewide infrastructure to improve investment returns
- All members make their own investment decisions - never any obligation to invest

Investment Criteria

- Southeastern companies, particularly based in Spartanburg and the Upstate, seeking \$250,000 to \$1 million of angel investment
- Passionate, experienced, coachable entrepreneurs with industry expertise
- Companies with a compelling solution to a well-defined and large problem
- Variety of industries reflecting members expertise and interests
- Scalable and capital efficient businesses able to generate a 10x ROI in 5 years

Membership Benefits

- High-quality, curated deal opportunities
- Angel-led due diligence in proven, and professionally-managed process
- Favorable deal terms, efficient transaction administration, close portfolio monitoring
- Exposure to new technologies and talented entrepreneurs
- Camaraderie and networking with leading business brains
- Investor education and state-wide angel group support
