

# We fund the future of the Lowcountry

**Lowcountry Angels is a group of angel investors around Charleston**

## **Lowcountry Angels**

---

- Individual investors who meet regularly to review and invest their own capital in the most attractive early stage companies in the southeast
- Part of the South Carolina Angel Network, an affiliation of over 230 investors across the Carolinas
- SCAN team provides professional deal-flow, due diligence processes, investment execution, and portfolio oversight to enhance investment returns
- All investors make their own investment decisions with no obligation to invest
- Meetings now open to individual angel investors and syndication partners with no membership fees

## **Investment Criteria**

---

- Southeastern companies, particularly based in the Carolinas, seeking \$250,000 to \$1 million of angel investment
- Passionate, experienced, coachable entrepreneurs with industry expertise
- Companies with a compelling solution to a well-defined and large problem
- Scalable and capital efficient businesses able to generate a 10x ROI in 5 years

## **Meeting Agendas**

---

- Pitches from high-quality, curated investment opportunities
- Reports from the due diligence process from across South Carolina angel groups
- Exposure to new technologies and talented entrepreneurs
- Networking and insights from local business leaders
- Investor education and information
