

10 CARAT CREATIONS

where five star businesses are built

NICOLE FAITH

Nicole builds online service businesses for location independent solopreneurs in just 1 week so they can get back to (or start) working with clients as they travel the world. Having helped hundreds of solopreneurs build their dream online business, she lives to liberate skilled individuals from the trappings of a 9-5 and nightmare freelance clients which lets them chase their version of "freedom".

INTERVIEW QUESTIONS

How do you make the leap from working a job to traveling the world?

What's the difference between freelancing and running a solo business?

How are you different than the other business coaches or digital nomad experts that promise a location independent lifestyle?

How do you set yourself apart, get clients online and make actual money as a solopreneur?
