

## **NEEDED: GWCS STUDENT BASKETBALL MANAGERS**

If you are interested in becoming a basketball manager for the 2016-2017 Coyote Basketball Team then please let [Mr. Goldie](#) or [Mr. Connelly](#) know right away.

**The biggest requirement** is that we need 4-6 managers to go to all or nearly all of the 30 (THIRTY) games on the schedule. You would be asked to watch the games, record stats, help with set-up and knock-down, create the

occasional poster, and acting like Delia is your hero. Pretty basic stuff.

**What's in it for you?** Well, besides the glory, you will be invited to the basketball banquet at the end of the season just like every other student at GWCS. Also, unlike every other GWCS

student, you will be given a sweatshirt that commemorates the season and a little pin shaped like a basketball that says GWCS on it. In addition to that, you will receive:

**An 'A+' and .5 Credit in an elective class called SPORTS MANAGEMENT: BASKETBALL!** Your GPA will be so glad you did this! It will probably be the extra 'A' on your transcript that will get you into the college of your choice! Or not. Is this a risk you are willing to take?!?!?

If you are looking for a big commitment, a chance to be involved in something bigger than yourself, and virtually no paycheck, what-so-ever, then this might be your thing!

Thank you for your kind consideration.
