Call For Artist

The Art of Rubbish
(artistic repurposing of junk)

Entries Accepted : Sept. 21 - 27, 2020
Gallery Exhibition : Oct. 1 – Nov. 1, 2020

about the exhibit

We want to cover the Arts Center with different interpretations of what rubbish can be. We have seen portraits made out of bar codes, lighthouses made with cardboard, and lions made out of tire scraps. This project opens up the world to perspective and objectivity. It can be as hard or easy as the creator deems it to be. There are no wrong answers. See the pictures or inspiration! It is all up to your imagination. This display will take up half of the gallery with the other half being Trash n’ Fashion.

eligibility

Open to youth and adult artists of all ages. Artists must be able to deliver their artwork and completed entry form to WNAC by Sunday, Sept. 27, 2020. Artists must also be able to remove their unsold artwork after the exhibit has ended. Any artwork left more than 60 days after the show ends will become property of WNAC.
Trash n’ Fashion

This idea sprang from Trashion Fashion held in California. For a week, top designers make trash fashionable. Then the trash designs are suited for models to strut down the runway. We thought it would be exciting if we had artists make a similar fashion statement in Scottsbluff. Be inspired by some examples below. Blow us away with a dress made out of toilet paper or a hat made out of a shoe! Surprise us with your creativity. This display will take up half of the main gallery.
sales

West Nebraska Arts Center offers artists 65% commission for artwork sold. WNAC receives 35%.
