

THE 2013 DIAMOND AWARDS

Meet Our Winners

Our panel of national bridal experts culled through hundreds of submissions to recognize the best in bridal as their Judges' Choice picks. Then we asked you to vote to name the People's Choice winners. Here are the results.

FLORAL DESIGN

Munster Rose

The judges were mad for the naturally striking aesthetic that has become the signature look of **Munster Rose**. One judge, who was enamored with owner and creative guru Jackie Reisenauer's vision and talent, said, "Her arrangements look like they were just plucked from the garden." Another couldn't help but laud Reisenauer for her on-trend assessment of the floral landscape. "These gorgeous, natural bouquets are au courant." 612-812-2538, munsterrose.com
