SAMPLE PATRON LETTER - COURTESY OF REEDSBURG MUSIC BOOSTERS

Hello!

The Wisconsin Singers are thrilled to present their performance of *Simply the Best!* in Baraboo on March 21st at 7:00 PM at the historic Al Ringling Theater. The Singers have a long history of professional performances and community service, and we are pleased to be partnering with them on this year’s concert to help raise funds for the Boys and Girls Club of Baraboo / Sauk County.

Boys and Girls Club of Baraboo/Sauk County is an after school and summer program service for youth ages 6-18 that offers a safe and positive place to be, ongoing relationships with caring, adult professionals, life enhancing programs and character development experiences, and hope and opportunity. Every program/activity offered in the club is designed to promote academic success, healthy lifestyles, and/or good character and citizenship.

We depend on engaged businesses in the community to help us underwrite the concert, and to ensure that the majority of the ticket revenue from the show can be used directly to support the Boys and Girls Club. To that end, we are running a companion patron drive for the performance, and hope that we can count on your support.

A tax-deductible contribution can be made directly to the Friends of Wisconsin Singers, by filling out the enclosed form and returning it to us, or by contacting me at trina.mcvicker@qtigroup.com. Your support in any amount is very much appreciated, as we know firsthand that a small investment in local programs can have a substantial impact on those students involved.

Your contribution will be acknowledged in a special program insert, and for our Alto and Soprano level sponsors, you will be recognized during the program as well.

I will follow up to see if you would be willing to contribute to this great community event, but if you have any questions in the meantime, please e-mail me at your convenience. I look forward to hearing from you!

We thank you in advance for your support.

Frequently Asked Questions

What do sponsors normally charge for a ticket?
We recently surveyed our sponsors and found that ticket prices range from $8-$15 for students/seniors and $10-$25 for adults.

When will we be billed?
The Friends of the Wisconsin Singers will invoice you directly, approximately 10 days after the performance. That bill will reflect the concert fee and transportation as charged to us by the Badger Bus Company. Payment is due within 30 days upon receipt.

Will the Singers bring their own programs?
The Singers will bring enough programs to accommodate a full house. These will be available to you upon our arrival so you may insert your own material if necessary.

Do we need to provide an Emcee for the show?
Our show can stand by itself without an introduction but our sponsors often like to welcome the audience and recognize their own patrons.

Will the Singers take an intermission?
Whenever doing a full show, we take about a 10-minute intermission. The student staff will give a short speech prior to intermission and can announce if you are selling refreshments. Singers’ representatives will be in the lobby area as well selling buttons and CD’s.
Media 101
Making the Most of Your Media Efforts

Personalize your media packets

• Address your media packet to a specific and appropriate person. Do not use “To Whom This May Concern” or any other general title.
• Reword the press release to illustrate your specific community and show details in order to make it unique and seem less pre-packaged.
• Take advantage of the hometown press releases Singers provides to highlight the students in your specific area, creating a personal and local aspect of the story.

Get your press release to the appropriate editor

• Make sure the entertainment, art, or local editor gets your media packet.
• This gets your information to the correct person immediately, makes it more likely to be covered, makes it less work for a general editor and decreases the chances of being lost or ignored.

Ask about event calendars

• Some media outlets have community/event calendars, call to ask if you can get the Wisconsin Singers show listed on it.
• This is an effective and often free way to promote the show.

Ask about community feature stories

• A media outlet that serves a large area likes to cover stories about smaller surrounding communities to better serve their audience – Use this to your advantage and pitch your story about the show accordingly.
• Some media outlets do on-camera interview features about fun, upcoming events in the community. Explore this opportunity.

Make yourself available

• Provide several phone numbers where you may be easily reached for further questions and information.
• The easier it is to contact you, the more likely a reporter will follow up.

*See the interview tips for suggestions
