

## English Transfer Pathway

for Ohio Community College students  
transferring to Ohio Dominican University

November 2022

This document outlines the [Ohio Guaranteed Transfer Pathway \(OGTP\) in English](#) that has been designed to provide clarity and consistency for college courses transferring between Ohio 2-year and 4-year public institutions.

This same transfer pathway in English is now approved for students transferring to Ohio Dominican University, through a partnership between 11 Ohio community colleges and 14 private colleges called the [Ohio Consortium for Transfer Pathways to the Liberal Arts](#), and whose faculty and administration have collaborated to expand access and credit clarity for students transferring with an associate's degree from an Ohio community college to an Ohio private college or university.

Pages 1 & 2 of this document outline **community college courses that are approved statewide** for transfer credit toward the bachelor of arts degree in English at an approved 4-year institution. Pages 3-6 show how these courses transfer to Ohio Dominican University to meet bachelor degree requirements.

<p>Some bachelor-degree granting programs may be competitive and admission into the program is not guaranteed.</p> <p>Students should check with individual institutions for their program admission requirements.</p> <p>Some bachelor-degree granting institutions require additional general education courses outside of the Ohio Transfer 36 and students may be required to take these courses in their junior or senior year. Students will still be able to follow this pathway and complete their bachelor’s degree in approximately 60 additional credit hours.</p>		

## How English Pathway Courses Transfer to Ohio Dominican University

A student transferring to Ohio Dominican University with the associate of arts degree and English transfer pathway completed will receive maximum credit, placing them at or near junior standing with introductory coursework in the English major completed. Most or all of the Ohio Dominican University general education requirements can be completed as part of the associate degree, through planning with a transfer advisor. Students interested in transferring to Ohio Dominican University should meet with an admission counselor regarding optimal course selection and admission requirements.

The following table outlines how transfer credits from the English transfer pathway and associate's degree will be applied to the Bachelor of Arts in English degree at Ohio Dominican University.

### Advising Notes:

Ohio Dominican University requires courses in History and a Fine Art (Art, Music, or Theater) as part of its general education requirements, so it is recommended that students use the Arts and Humanities electives in this area.

Additionally, ODU requires 6 credits of Philosophy (3 at 100 level, 3 at 200 or higher). It is recommended that students use additional electives to complete these.

ODU only requires 1 natural science course, with or without a lab component.

2 Social and Behavioral Science courses are required in different disciplines (e.g. Psychology and Economics, or Sociology and Criminal Justice).

This Transfer Pathway completes the Associate of Arts degree, which must total at least 60 semester credits and includes 36 credits of the Ohio Transfer 36 (OT36), which are approved general education requirements. OT36 details can be found at <https://transfercredit.ohio.gov/initiatives-upd/ohio-transfer-36>.

#### Advising Notes:

A candidate for a baccalaureate degree at Ohio Dominican University must have completed all the course and proficiency requirements for that particular degree and must earn not less than 120 semester hours (60 hours for associate degree) of college work with a grade point average of not less than 2.0.

Ohio Dominican University offers Core Seminar courses at the 100, 200, 300, and 400 level. A student transferring with an Associate's degree is exempted from the 100 and 200 level. The 400 is always taken within one's major field of study. A transfer student would then only need to take a 300 level course in a field outside of English (e.g. Biology, Sociology, Philosophy, etc.). This course may also fulfill additional general education requirements.
