

DIRECTIONS TO GERARD E. EVANS, LTD.

191 Main St., Suite 210 | Annapolis, MD 21401
410-990-1521

START

Starting from getting off of Rt. 50 onto Rowe Blvd.:

1. Make a slight right turn off of Rowe Blvd. onto Northwest St. and proceed to Church Circle.
2. Take the 4th exit in Church Circle onto Duke of Gloucester St.
3. After the light at Conduit St., there will be a sudden left turn into the Noah Hillman Parking Garage. If you do this: park and then exit the garage in the *opposite* direction from the county offices.
4. Once on Main St., turn left. On the left side of the street, our office is just a few store fronts away. We're in the Synergics Center Building, next to Red Red Wine Bar.
5. **Note:** There is another entrance to the garage if you go down one more street to Green St., turn left, make another left onto Main St. (if this is blocked by a school crossing guard, just go down Duke of Gloucester one more street and then make a left turn) and then turn left onto Gorman St.

This second garage entrance is ideal as it puts you on the first floor and is easier to get out of if you depart Annapolis around 3:30 - 5:00.

Alternatively, metered parking is available on almost all of Main St. There's a moderately-enforced maximum 2-hour parking time limit and the meters are payable via coin or credit card (\$2 charged for maximum time).
