EPSCO Council Conclusions
On the 10th December, the EPSCO Council adopted Conclusions on Inclusive Labour Markets. ENSIE welcomes these Conclusions and hope they will translate into concrete actions.

More information here
The European Green Deal
On the 11th of December, the European Commission revealed its Green Deal, one of its flagship initiative for the next five years. ENSIE welcomes this initiative but the Social Economy should be further considered as central in the ecological transition.
More information.

Social Economy Intergroup
The European Parliament finally published its list of Intergroups for the next term. Among them, we are pleased to find the Social Economy intergroup for which we fought with our members and Social Economy Europe.

# ENSIE NEWS

European Day of Social Economy Enterprises
On the 27th of November, ENSIE participated to the European Day of Social Economy Enterprises in Strasbourg where the participants, talked about how to improve the EU ecosystem for Social Economy. Among the speakers were present Nicolas Schmit, newly confirmed in its Commissioner for Jobs and Social Rights position, Lucas Jahier, President of the EESC and Karl-Heinz Lambertz, President of the Committee of the Regions. Patrizia Bussi, ENSIE Director, moderated the debates. At the end of the day, the participants adopted the Strasbourg Declaration on Social Economy, which was presented to Nicolas Schmit.

More information about this event here.

ENSIE Board of Directors

In November, ENSIE organised its Board of Directors open to members in Budapest,
Hungary. During this event we welcomed our new Danish member, Kooperationen, talked about the European Semester process, about fundraising and project development, advocacy tools and best practices and we present the INNO-WISEs project platform to our members. On the second day, we participated to a European seminar on "Work Integration Social Enterprises : exchange of good practices" organized in collaboration with our Hungarian member Galileo Progetti, along with Héfta Research Institute and IFUA Non profit Partner.
You'll find a summary of this event here.

Presentation of the conclusions of the Seminar on "Work Integration Social Enterprises: exchange of good practices"

**ENSIE Manager Award**

During the ENSIE Board of Directors, the award ceremony for the ENSIE WISE Manager
Award took place. The winner was Paranusim?, a Latvian helpline employing disadvantaged people. The second place was awarded to Food Value, an Italian app, providing food for disadvantaged people and the third place to KeBuono an Albanian social pastry providing jobs and community empowerment while fighting organized crime. Congratulations to all of them!

# PROJECT NEWS

30th September

End of the Rights to Grow project

![R2G Logo](https://mailchi.mp/e3c7055e36c2/ensie-2019-quarterly-newsletter-4)

After two years of fruitful work with our partners, the Rights to Grow project ended in September! Together, under the coordination of DIESIS, we mapped governance models of social enterprises in Europe, identified and analysed good practices. Have a look to the project [conclusions and final recommendations](#)!

18th November
Buying for Social Impact - Final Event

On the 18th November, the Buying for Social Impact project (BSI) had its final event in Brussels, Belgium. At this occasion, the partners presented the results and recommendations from the BSI project in the presence of representatives from the EESC, the European Commission, EASME, national ministries and the European Parliament. The project is now finished, but ICLEI and AEIDL are collecting good practices from all over Europe in the framework of a new project.
