Garden Variety By Linda Bankerd

Opening Reception:
Friday, September 6, 6-8:30pm

“Garden Variety”, a series of abstracted landscapes by Linda Bankerd, will be on view at Touchstone Gallery from September 4 through the 29th. This collection of Linda’s work is as diverse as the various landscapes and gardens that she has been viewing for the past several years. From East to West and in between: the cherry trees of Washington, DC; The snowy woods of the Arizona mountains; and her own backyard in Alexandria. These and more have provided the initial ideas for Linda’s paintings.

Linda’s work is exuberant, colorful, bold and bright. Acrylic paint, often with the addition of collage, results in depictions of landscapes and gardens that, although they may be recognizable, are by no means realistically rendered. These are her personal statements of the outdoor beauty that we all share.

Touchstone Gallery is open Wednesday through Friday from 11 to 6 and Saturday and Sunday from 12 to 5. Touchstone is located at 901 New York Ave., NW in Washington, DC. Visit www.touchstonegallery.com for more information.
