Touchstone Gallery presents new work

By Betsy Forster

November 1 – November 24

“SOUL FOOD”

**Opening Reception:
Friday, November 1, 2013 6-8:30 pm**

Touchstone Gallery is pleased to present a solo exhibit of landscape painter Betsy Forster. While Forster paints in oils and mixed media, this show is devoted entirely to pastel paintings. Forster loves to draw and the pastel stick, for her, is a wonderful drawing tool.

“Soul Food” shows Forster’s deep connection to nature, to the land itself. Her sensitive line brings you into the landscape she loves so much, a landscape that is all too quickly disappearing.

Betsy Forster lives in Washington DC, but spends a great deal of time painting in Wyoming and Virginia.
