Mr. Marohn,

Thank you for notifying the Board of your wish to have your license placed in a "retired" status. Your status has been updated on our roster.

Congratulations on reaching this important milestone. Having elected retired status means you no longer practice your profession in Minnesota. Should you ever wish to reinstate, see <https://mn.gov/aelslagid/renewals.html#reinstatement>.

Minnesota Statute 326.02 Subd. 1 allows you to continue to include your professional designation with your name, as long as the designation is preceded by the word "retired." (Examples: "John Doe, Retired Architect"; "Jane Doe, Retired Professional Engineer")

If you have any further questions, feel free to contact the Board at 651-296-2388.

Sincerely,

Mary Roguski
