You are committed to me, Your name is faithful
There may be storms in the deep but You remain sure
High tide or low tide, You're steady, You're strong
You are the Rock I build my life on

PRE CHORUS

Highs, You won't let go
Lows, You won't let go
This will be my song
You're faithful through the
Highs, You won't let go
Lows, You won't let go
This will be my song

CHORUS

I will call You faithful, faithful
I will call You faithful

You are committed to me despite my weakness
When I am fickle and fail, You show me kindness
Grace that forgives me, repairs and restores
You are the Rock and I am grateful

Jesus my Fortress, my Rock, You will never change
