VERSE 1

Bm **D**
I've come here today to worship again

'Cause I know that my Father's here, my Father
Bm **D**
Has shown me a way, away from the pain
G **Em**
Of the sin that I've stumbled in

VERSE 2

Bm **D**
You lift up my eyes, You show me the scars
G **Em**
Where Your love paid everything, paid for me
Bm **D**
To live with my God, no longer apart
G **D**
For You bled, You died for me

CHORUS

G **D**
My soul is alive with worship
A **Bm** **G**
I'm singing again 'cause my heart it overflows
D **A**
With the love and mercy of You my God
G **D**
My soul is alive with wonder
A **Bm**
I'm welcomed again before You my Father
G **D** **A**
Oh how I love to worship You my God

VERSE 3

I'm covered and clean, forgiven and freed
By the grace that You stand me in, I'm standing
My feet on a rock, my future in God
And my soul, You've counted free
