I've come here today to worship again

For You bled, You died for me

With the love and mercy of You my God

I'm welcomed again before You my Father
A **E** **B**
Oh how I love to worship You my God

VERSE 3

I'm covered and clean, forgiven and freed
By the grace that You stand me in, I'm standing
My feet on a rock, my future in God
And my soul, You've counted free
