Dm **F**
I've come here today to worship again

Has shown me a way, away from the pain

Of the sin that I've stumbled in

You lift up my eyes, You show me the scars

Where Your love paid everything, paid for me
Dm **F**
To live with my God, no longer apart
B^b **F**
For You bled, You died for me

CHORUS

B^b **F**
My soul is alive with worship
C **Dm** **B^b**
I'm singing again 'cause my heart it overflows
F **C**
With the love and mercy of You my God
B^b **F**
My soul is alive with wonder
C **Fm**
I'm welcomed again before You my Father
B^b **F** **C**
Oh how I love to worship You my God

VERSE 3

I'm covered and clean, forgiven and freed
By the grace that You stand me in, I'm standing
My feet on a rock, my future in God
And my soul, You've counted free
