

VAST

(EVERYTHING I SEE)

SUGGESTED TEMPO 74 BPM

KEY: Bb

ANTONIA MORGAN, JOTHAM OAKLEY, LOUISA MADDISON

VERSE 1

Everything I see
Was made by You
In the beauty
Of the first words spoken
Everything I know
Relies on You
On the authority
Of Your roars and whispers
In this mystery
The Creator King
Shows His face

CHORUS

I see Your glory on display
As creation sings out Holy is Your name
Hallelujah!
I see the splendour of the King
Seated on the throne ruling all eternity
Hallelujah!

VERSE 2

Everything I am
Formed of dust
A sculpted character
In the Father's image
How can it be true?
That You would choose
To write me into
Your eternal story
It's a mystery
But You created me
To see Your face

MIDDLE 8

You have caught my heart's attention
I will sing my adoration
Worthy, You are worthy!
With the landscapes and the nations
Joining Heaven's congregation
Worthy, You are worthy!
Worthy, You are worthy!
