# Seniors of Achievement

---

Since 1972, the Montgomery Area Council On Aging has assisted senior citizens by providing services that promote independent living, enhance quality of life, and increase community awareness of senior issues. MACOA touches the lives of more than 5,000 seniors in the five-county area each month... providing the warmth of family and home along with the motivation, means, and enjoyment of independent living. For 45 years the support of the community, the many churches, civic organizations, individuals, and dedicated volunteers, have made it possible for MACOA to serve the seniors in our area. In an effort to recognize the contributions of today's senior citizens, the Montgomery Area Council On Aging is sponsoring the 2017 Seniors of Achievement Awards.

2017 marks the thirtieth year of the Seniors of Achievement Awards program, which recognizes seniors who have made significant lifetime contributions to their community. Over the years, hundreds of seniors have been selected to receive this outstanding award. These distinguished senior citizens have come from every walk of life. Our purpose is to recognize those who have truly blessed the lives of others. Individuals chosen by the Selection Committee will be recognized at the Seniors of Achievement Awards Ceremony on Thursday, October 19, 2017. If you have any questions or would like additional information please call Jennifer Dvorak, Seniors of Achievement Coordinator, 334-263-0532.
