

Marton Manor Early Years

During your child's time in Nursery and Reception they will cover many topics. Our topics may last a week, a few weeks or half a term depending on the children's interests and how they lead and develop their learning. Activities that we plan are based on children's interests; they lead the learning. We do not usually bring the topic to them; they bring it to us. We do, of course, teach them about the things that are happening around them such as weather, seasons, and festivals. We also teach the children about festivals from other countries.

If you would like more information on The Early Years Foundation Stage Statutory Framework, it is available on the Foundation Years website and the Department for Education website:
