INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
El Porvenir
Denver, Colorado

We have audited the accompanying statement of financial position of El Porvenir as of December 31, 2008, and the related statements of activities, functional expenses, and cash flows for the eighteen months then ended. These financial statements are the responsibility of El Porvenir's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of El Porvenir as of December 31, 2008, and the changes in its net assets and its cash flows for the eighteen months then ended in conformity with accounting principles generally accepted in the United States of America.

EL PORVENIR
NOTES TO FINANCIAL STATEMENTS
December 31, 2008

El Porvenir is incorporated under the California Non-Profit Corporations Code. El Porvenir's mission is to improve the standard of living of poor people in Nicaragua through sustainable self-help water, sanitation, and reforestation projects. Specifically, El Porvenir partners with rural Nicaraguan villages to enable them to fulfill their right to a healthy environment, clean drinking water, and appropriate sanitation. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*. Under SFAS No. 117, El Porvenir is required to report information regarding its financial position and activities according to three classes of net assets:

Unrestricted net assets—Net assets that are not restricted by donors. Designations are voluntary board-approved segregations of unrestricted net assets for specific purposes, projects, or investments.

Temporarily restricted net assets—Net assets whose use has been limited by donor-imposed time restrictions or purpose restrictions.

Permanently restricted net assets—Net assets that have been restricted by donors to be maintained by El Porvenir in perpetuity.

Accounts Receivables

El Porvenir considers all receivables to be fully collectible. Accordingly, no allowance for doubtful accounts is required. If receivables become uncollectible, they will be charged to operations when that determination is made.

Promises to Give

Unconditional promises to give are recognized as support in the period the promises are received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional. Promises to give receivable in less than one year are recorded at their net realizable value.

El Porvenir considers all promises to give to be fully collectible. Accordingly, no allowance for doubtful accounts is required. If promises to give become uncollectible, they will be charged to operations when that determination is made.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investments

El Porvenir carries investments in marketable securities with readily determinable fair values and all investments in debt securities at their fair values in the statement of financial position. Realized and unrealized gains and losses are included in the change in net assets in the accompanying statement of activities.

Property and Equipment

Acquisitions of property and equipment in excess of \$500 are capitalized. Purchases of property and equipment are recorded at cost and depreciated over the estimated useful life of the assets using the straight-line method.

Contributions

Support restricted by the donor is reported as increases in unrestricted net assets if the restriction expires in the year in which the support is recognized. All other restricted support is reported as increases in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Donated Services

Donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their estimated fair values in the period received.

Functional Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities and in the statement of functional expenses. Accordingly, certain costs have been allocated among the program services and supporting activities benefited.

Income Taxes

El Porvenir is an exempt public charity under Section 501(c)(3) of the Internal Revenue Code and therefore is not subject to federal and state income taxes.

El Porvenir has elected to defer the application of FASB Interpretation No. 48, *Accounting for Uncertainty in Income Taxes*, in accordance with FASB Staff Position No. FIN 48-3, *Effective Date of FASB Interpretation No. 48 for Certain Nonpublic Enterprises*. The organization evaluates any uncertain tax positions in accordance with SFAS No. 5, *Accounting for Contingencies*, until it applies the provisions of Interpretation 48.

Assets and liabilities denominated in currencies other than the U.S. Dollar are translated into U.S. Dollars at the rates in effect at the date of the statement of financial position. Revenue and expense items denominated in currencies other than the U.S. Dollar are translated into U.S. Dollars at the rates in effect during the period.
