

New Security Measures & Parking Information

A Note from the Hobby Center on new security measures at Zilkha Hall:

As an extension of our patron services, we continue to look at best practices for security and safety at The Hobby Center for the Performing Arts. As a result, we decided to implement pre-performance bag check and metal detector wandering. 5Star Event Services will be conducting the security checks at every performance and a Hobby Center employee will be on duty to assist the 5Star Team. For more information and a list of prohibited items, please [CLICK HERE](#).

Parking at the Hobby Center

The parking garage is located directly behind the Hobby Center with easy access from both Rusk and Walker Streets. This above-ground, 7-level, 800-car garage offers convenient self-parking currently for \$12 per vehicle. If the parking garage fills up, you will be directed to the Memorial overflow lots and shuttle service.

Valet Service

Valet parking is available in front of the Hobby Center on Bagby Street between Rusk and Walker during Hobby Center performances and from 11:00 a.m. until 2:00 p.m. Monday through Friday for Artista restaurant. Cost: Currently \$25 per vehicle.

Contract Parking

Contract parking is available in the Hobby Center garage 24 hours a day. The business office is open 8:30 a.m. - 5:00 p.m. The garage provides easy access to Houston's downtown tunnel system and is one of the most convenient parking locations for entering and exiting the downtown area.

Parking Availability

Valet and Hobby Center garage parking is subject to availability. Please note, Ballet patrons will be arriving and using the garage, please arrive early if you would like to park in the garage. Large attendance at various performances may create high demand limiting access, and resulting in the closing of valet and/or self-parking prior to the start time of a performance. If the parking garage fills up, you will be directed to the Memorial overflow lots and shuttle service.
