

“SAGE Is New To Reed This Year”

Special and Gifted Education (SAGE) is a “new” PTA group. SAGE is geared toward families with special need students and/or gifted and talented students. This year SAGE hopes to provide students and families some of the following things:

- A way to show we are all unique and special in our own way
- Special times at book fairs, carnival, and other school events
- District wide educational programs for caregivers
- Notice of fun events around the area
- Special guest to read books about uniqueness
- Participate in Reflections
- And much more!!!!

The Reed’s SAGE committee would love to have suggestions, recommendations, and helpers. Please connect with Tina J. Puckett at timandtinapuckett@att.net. Oh, and keep OCTOBER 17th open! It is a district wide event you don’t want to miss.
