

Victini's Victory Cube

Festival Lead - Using Dipplin, Thwackey, & Festival Grounds, attack multiple times and easily search your deck for the next play!

Pyro Dance - Using Infernape, Entei, & Welder, quickly gather energy and unleash scorching attacks! Iron Moth & Reshiram can also get the game heated up!

Dual Splash - Using Golisopod & Dewgong, create a board that's ready to respond to the opponent's active or benched Pokemon with versatile attacks! Frostbite your opponent's energy with Calamitous Snowy Mountain!

Electropower - Use Ethan's Pichu to draw cards while buffing its damage with Electropower. Raichu & Kilowattrel can also take advantage of the boost provided by Electropower!

Roaring Resolve - Using Lucario & Gliscor, swiftly prepare your high-risk, high-reward offense! Flip coins and sacrifice your own HP for power!

Lunar Pain - Use bench-hitters like Reshiram to attack multiple Pokemon before pivoting to Lunala to take multiple prize cards all at once! Galarian Articuno can deliver cruel late-game attacks!

Dark Squall - Manipulate your energy count with Hydreigon! Use Piers to assemble your team and realize Darkrai & Lugia's devastating power!

Family Attack - Gather as many Maushold as you can to knock out the opponent's Pokemon in one strike! Arezu & Jacq gather the family together!

Buddy Pulse - Using Minun & Plusle, damage your opponent when they attach energy! Reshiram or Dewgong can then be used to finish off their weakened bench!

Nadir Powder - Use Dustox to stack special conditions on your opponent's Pokemon! Choose your target with Pokemon Catcher, and confuse your opponent's plans!

Attract Customers - Using Tatsugiri & Escape Board, search your deck for powerful supporters to turn the tides of battle! Mew also works well as a pivot, allowing you to power up a variety of different strategies!

Call for Help - Use Oricorio & Solrock to gather Pokemon and Supporter cards for any deck! These two pair especially well with decks that require a large number of cards to enable their win condition.

Zooming Draw - Draw cards every turn with Dodrio while powering up your Ballistic Beak! Dodrio can help many decks, but it is especially strong against spread decks!

Breath of Life - Use Xerneas to accelerate different energy types onto your Pokemon! Take advantage of colorless energy requirements to build a diverse deck!
