The Department of Molecular Genetics is seeking a Teaching Assistant for the following course:

**MMG3005Y – Ethical & Legal Implications of Genomics**

This course explores the current ethical, legal and social landscape of human genetic analysis, with a focus on the application of genome-science on patient care. Students explore the manifold legal and ethical implications of genomic science.

**Qualifications**

An interest and some training in bioethics and genetics/genomics. We are looking for a graduate student in the field of bioethics with some training in science or a graduate student in genetics/genomics with some background in ethics. Further details about the Department’s hiring policy are available in the Department office and in the CUPE, Local 3902 office.

**Duties**

- Supervising students and grading in-class presentations
- Grading assignments

Duties of this position shall be performed at the campus on which the position is located. Where the duties are intended to be performed at another location, such other location will be specified in the posting.

**Hours of Work:** 20 hours

**Estimated Course Enrolment:** 15-20

**Rate of Pay:** SGSI/II $45.33/hr.

**Application Process**

Please submit a Teaching Assistant Cover Page (available on the departmental web site: http://www.moleculargenetics.utoronto.ca/s/TAAplicationform.pdf), a cover letter detailing your experience, and a CV to martina.steiner@utoronto.ca

**Deadline:** July 14, 2019

The Chair or the Chair’s authorized designate shall make any or all offers of employment on behalf of the Department of Molecular Genetics. The Department authorizes no other offers or notices of the outcome of applications.

This job is posted in accordance with the CUPE3902 Unit 1 Collective Agreement. The positions(s) posted above is (are) tentative, pending final course determinations & enrolments.

If during the application and/or selection process you require accommodation due to a disability, please contact uoft.careers@utoronto.ca.

**The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons / persons of colour, women, Indigenous / Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas.**

**Posted:** June 24, 2019
