Job Posting – Teaching Assistant Position  
Winter 2020 (Thursdays 1-5 pm., January – April)

The Department of Molecular Genetics is seeking 1 Teaching Assistants for the following course:

MGY315H Principles of Genetic Analysis II  
Undergraduate genetics laboratory course (one laboratory per week, Thursday afternoons).

Qualifications  
Applicants will be considered on the basis of their familiarity with eukaryotic genetics & must have completed an undergraduate laboratory course in this subject or have gained equivalent experience through research project work. Further details about the Department’s hiring policy are available in the Department office and in the CUPE, Local 3902 office.

Duties
• Advanced preparation as required in consultation with the laboratory coordinator.
• Supervision of one group of no more than 24 students during each laboratory period
• Marking laboratory reports & problem sets

Duties of this position shall be performed at the campus on which the position is located. Where the duties are intended to be performed at another location, such other location will be specified in the posting.

Hours of Work: The workload per week will be determined in part by the number of students in each laboratory group but will be approximately 100 hours for the academic session.

Estimated Course Enrolment: 60

Rate of Pay: SGSI/II $46.24/hr.

Application Process  
Please submit a Teaching Assistant Cover Page (available on the departmental web site: http://www.moleculargenetics.utoronto.ca/s/TAApplicationform.pdf) and a CV to Julie.brill@sickkids.ca

Deadline: August 13, 2019

The Chair or the Chair’s authorized designate shall make any or all offers of employment on behalf of the Department of Molecular Genetics. The Department authorizes no other offers or notices of the outcome of applications. This job is posted in accordance with the CUPE3902 Unit 1 Collective Agreement. The positions(s) posted above is (are) tentative, pending final course determinations & enrolments.  
If during the application and/or selection process you require accommodation due to a disability, please contact uoft.careers@utoronto.ca.

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons / persons of colour, women, Indigenous / Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas.
