Job Posting – Teaching Assistant Position  
Winter 2020 (January - April)

The Department of Molecular Genetics is seeking 1 Teaching Assistant for the following course:

MGY2501H Introduction to Medical Genetics  
An introductory course, spanning basic human genetics, genetics & disease, animal models or disease, cutting edge gene therapies, genetic counseling & ethical questions in clinical genetics.

Qualifications  
Applicants will be considered on the basis of their practical familiarity with human genetics, genomics, genetic counseling &/or bioinformatics, as gained through some combination of coursework & research project work. Further details about the Department’s hiring policy are available in the Department office and in the CUPE, Local 3902 office.

Duties  
- Promptly answering student questions on Quercus  
- Promptly responding to student emails  
- Familiarizing yourself with course assignments and marking assignments  
  - The majority of your TA hours will be spent marking the 3 student assignments. You are expected to set aside a significant amount of time to ensure that these are completed in a reasonably short period after they have been submitted by students.  
- Proctoring the final exam

Duties of this position shall be performed at the campus on which the position is located. Where the duties are intended to be performed at another location, such other location will be specified in the posting.

Hours of Work: Approximately 50 hours for the academic session.

Estimated Course Enrolment: 500

Rate of Pay: SGSI/II $46.24/hr.

Application Process  
Please submit a Teaching Assistant Cover Page (available on the departmental web site:  
[http://www.moleculargenetics.utoronto.ca/s/TAApplicationform.pdf](http://www.moleculargenetics.utoronto.ca/s/TAApplicationform.pdf) and a CV to jessica.hill@utoronto.ca

Deadline: November 27, 2019

The Chair or the Chair’s authorized designate shall make any or all offers of employment on behalf of the Department of Molecular Genetics. The Department authorizes no other offers or notices of the outcome of applications.  
This job is posted in accordance with the CUPE3902 Unit 1 Collective Agreement. The positions(s) posted above is (are) tentative, pending final course determinations & enrolments.  
If during the application and/or selection process you require accommodation due to a disability, please contact uoft.careers@utoronto.ca.  
The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons / persons of colour, women, Indigenous / Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas.
