Job Posting – Markers Position
Fall 2020 (MWF)

The Department of Molecular Genetics is seeking 6 Markers for the following course:

**MGY377H1: Microbiology I (Bacteria)**
An in-depth study of bacteria including their structure, their biology, their ability to adapt, & their effects on human health. Provides a foundation for advanced studies in bacterial physiology, bacterial genetics, molecular pathogenesis of disease, immunology, & environmental studies.

**Qualifications**
Applicants will be considered on the basis of their practical familiarity with microbiology/bacteriology as gained through some combination of coursework & research project work. Further details about the Department’s hiring policy are available in the Department office and in the CUPE, Local 3902 office.

**Duties**
Helping to mark 2 mid-term tests and a final exam. These tests will be taken on-line and marking will be done on-line. Duties can be performed wherever internet access is available (at home or at the university).

**Hours of Work:** Approximately 50 hours for the academic session.

**Estimated Course Enrolment:** 285

**Rate of Pay:** SGSI/II $46.24/hr.

**Application Process**
Please submit a Teaching Assistant Cover Page (available on the departmental web site: [http://www.moleculargenetics.utoronto.ca/s/TAApplicationform.pdf](http://www.moleculargenetics.utoronto.ca/s/TAApplicationform.pdf)) and a CV to alan.davidson@utoronto.ca

**Deadline:** October 5, 2020

The Chair or the Chair’s authorized designate shall make any or all offers of employment on behalf of the Department of Molecular Genetics. The Department authorizes no other offers or notices of the outcome of applications. This job is posted in accordance with the CUPE3902 Unit 1 Collective Agreement. The positions(s) posted above is (are) tentative, pending final course determinations & enrolments.

If during the application and/or selection process you require accommodation due to a disability, please contact uoft.careers@utoronto.ca.

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons / persons of colour, women, Indigenous / Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas.
