16th Annual
International Pediatric Orthopaedic Symposium
Presented by POSNA and AAOS
December 3 – 7, 2019
Orlando, FL

NEW! Half-Day Fellowship Directors Program
December 7

Make this your IPOS year!
Explore all areas of contemporary pediatric orthopaedics

Join hundreds of pediatric orthopaedic professionals from around the world to discover new insights and technology, and learn how to integrate best practices and new techniques into your care of children and adolescents. From fundamental fracture care to advanced surgical reconstruction, engaging and innovative programming represents all subspecialty fields of pediatric orthopaedics.

“Every year I learn something that changes my practice, get inspired to learn and do something new, and remember why our job is so amazing.”

– Past IPOS Attendee

Customize with more than 40 breakout selections

Be a part of the discussions, demonstrations, lectures, hands-on technical workshops, and industry-sponsored sessions that deliver solutions and meet your unique learning needs and interests.

For full program and registration visit: ipos.posna.org.

There’s something for everyone at IPOS!

Residents & Fellows! Special programming just for you:

Career Planning & Professional Development – gain perspectives and professional advice

Lunchtime Development – cases presented and discussed

Top Gun Surgical Simulation – eighth annual contest of quality and speed on procedures

Mentoring Sessions – residents and those in fellowship are matched with IPOS faculty for a breakfast session to ask questions and seek professional guidance

Webcasts
For those unable to travel this year, join IPOS faculty, attendees and colleagues around the world for two interactive live webcasts from the course in Orlando.

Call for ePosters
Share your research with hundreds of IPOS attendees! Electronic poster submissions accepted through September 6.

For more details on these special events, visit ipos.posna.org.
