Evaluator: _____ Campus: _____

To the Evaluator: Please read the student's dissertation carefully before evaluating it on the scale below. In making your judgment be sure to consider such factors as the skill with which the problem was formulated, the soundness of the research design, the nature and extent of data analyses, the integration of findings by means of theory and concept, etc. Attention should also be given to the way the dissertation is written and organized, taking into account the fact that the presentation and style should meet at least the minimum editorial demands of journal editors.

PLEASE SEND THE ORIGINAL TO THE EXECUTIVE OFFICE

In the event that category "b" is checked, the evaluator should give the basis of his/her evaluation in the space allotted for "comments" below.

- _____ a. I approve the student's written doctoral dissertation as it now stands, and recommend that she/she be given his/her Final Oral Examination.
- _____ b. Except for minor revisions, I approve the student's written doctoral dissertation and recommend that he/she be given his/her Final Oral Examination. I assume that the candidate's chairperson will assume responsibility for these revisions.
- _____ c. I do not approve the student's written doctoral dissertation as it now stands.
