To the Student: Please attach a summary of your proposed research, starting with its purpose and a general statement of the method to be employed. This statement should be approximately half a page. A good basic model includes a paragraph on the problem area to be researched and one on the intended type of research design. Note: All information on this form may be changed at a later date.

To the Chairperson: I have read _____'s topic proposal and have discussed it in detail with the student. In my judgment it (1) meets the minimum standards required for the formulation and design of a research problem; (2) is practically feasible in terms of available space, equipment, and the number and type of subjects available; and (3) does not involve procedures that would violate the code of ethics prescribed by the American Psychological Association.
