THE POWER OF BIBLICAL CITIZENSHIP

HONORING GOD WITH
YOUR VOTE IN 2020

Get the Guide online at mnfamilyvoter.com

INTRODUCTION

We're called to exercise citizenship worthy of the gospel of Christ (Philippians 1:27).

We live in a country where God has entrusted us with the responsibility of choosing our leaders, so part of “citizenship worthy of the gospel” is learning how the Bible informs our vote. We know that’s what would honor God, and yet it’s not easy. Often churches and Christians have forsaken the hard choices involved in voting and instead decided to follow one party or one leader without question – or they’ve simply stayed home on election day. In our ultra-polarized culture, that often seems like the easiest option.

Everyone on the ballot this year is flawed, just like the rest of us. But skipping this election is not the answer. This guide will help you see where candidates stand on some of the issues that are most important to many Christians. The answers aren’t always simple, but our goal is to help you and your family honor God with your votes this election. Working with churches across the state, we’ve concluded that the following issues, though certainly not the only issues at stake in this election, are particularly important for Christians to think about as we prayerfully make a decision this fall.

Vote Early By Mail

This fall, many Minnesotans will be voting by mail. That’s why we’re including an absentee ballot application, which you can fill out and mail in to receive an absentee ballot when General Election ballots become available. For your ballot to count, remember this important information:

- Read the instructions that come with your ballot carefully.
- Your signature envelope might have a box for a witness to complete and sign. Due to COVID-19, there is no witness requirement for registered voters for the November 3, 2020 General Election. Non-registered voters will still need a witness to indicate their proof of residence.
- Mail the ballot and forms back right away after you finish. Your returned ballot must be postmarked on or before Election Day (November 3, 2020) and received by your county within the next seven calendar days (November 10). You may also drop off your ballot envelope in person. See details at <https://www.sos.state.mn.us/elections-voting/other-ways-to-vote/vote-early-by-mail/>.

You can also request an absentee ballot online at:

ISSUES FOR ALL CANDIDATES

ABORTION & LIFE We believe God knew us before He formed us in the womb (Jeremiah 1:5), so we asked everyone running for office in Minnesota if they would ban late term abortions, end taxpayer funding of abortions, and protect vulnerable Minnesotans from physician-assisted suicide.

PROTECTING KIDS Because we know that God created us “male and female” (Genesis 5:2), we know that no child is born in the wrong body. So, we asked candidates if they would support efforts to ban the dangerous and medically inappropriate procedure known as “gender reassignment surgery” for minors and oppose this ideology in school curricula and athletics.

SCHOOL CHOICE Parents need to be able to make the right choices for their children’s education. We asked candidates if they would support making this easier for all Minnesota families by making tuition tax credits available to families who need them.

RELIGIOUS FREEDOM We asked candidates if they support protecting religious freedom so that we can “live peaceably with all” (Romans 12:18).

ISSUES FOR FEDERAL CANDIDATES

CRIMINAL JUSTICE REFORM We believe God’s Word is clear on this issue. Punishments for criminals should be proportional to the crime and justly administered (Exodus 21:23-25). Elected officials must work to end draconian sentencing rules and racism in our criminal justice system. We asked every candidate for federal office if they support criminal justice reform.

FIXING OUR IMMIGRATION SYSTEM We believe elected leaders must acknowledge that good rulers secure their borders (Psalm 147:14) while recognizing that showing mercy to genuine refugees is part of our calling as Christians - that when we welcome a stranger, we are welcoming Christ (Matthew 25:31-40). For these reasons, we asked candidates for federal office to answer three questions on how they would fix our broken immigration system.

Register to Vote Online

If you have not already registered, you can register online at:

<https://www.sos.state.mn.us/elections-voting/register-to-vote/>. Other registration options include mail-in registration and Election Day registration. Please note that if you register before sending in a mail-in absentee ballot, there is NO witness requirement, due to COVID-19. But if you are not already registered, the witness requirement to verify your address is still in effect.
