## WHAT THEY'RE SAYING

“

*LEAD was a fantastic experience for me. It was an incredible confidence booster. I will always look back on LEAD as something that helped prepare me for life.*

- Noah L.

SIMULATION.**

### TRACKS:

Each track simulates a branch of Minnesota's legislature to provide a realistic framework for students to apply in-depth worldview training.

Students interact with Christian leaders in numerous spheres, and are coached by experts who play integral roles during the simulation.

**HOUSE:** Students are sworn in as members of the LEAD House of Representatives and strategize in committee meetings and during the final floor session on Friday. All first-time LEAD students participate in the House Track.

**SENATE:** 2nd year+ students and high school seniors role-play as Senators. They take up more challenging tasks by offering amendments to bills and engaging in open debate.

“

*Jack has grown so much as a young man of deep faith and strong leadership skills from your organization. We love what you do!*

- Jon and Debbie S.

”

“

*Every student we have sent to LEAD has not only come back stronger in their faith, but I have seen them maintain that testimony for years.*

- Pastor Dave Clear, First Baptist Church and School, Rosemount MN
