

STUDENT SENATE
PURCHASE COLLEGE, STATE UNIVERSITY OF NEW YORK

MEMORANDUM

TO: PSGA Student Senate
FROM: Anjelica Mitlitsky, *President of Poor Choice Picture Show Club*
DATE: October 18, 2015
SUBJECT: 1516-24 Funding for “Poor Choice Picture Show”

Action Requested

The proposed resolution calls for a total of \$384.36 to be transferred from unallocated funds to the Poor Choice Picture Show Club

Resolution

I recommend that the PSGA Student Senate adopt the following resolution:

Whereas The Poor Choice Picture Show has been newly inducted as an official PSGA club; and,

Whereas the Poor Choice Picture Show had originally been paid for out of pocket by the students involved in it, despite all being MSAF-paying students; and,

Whereas the events sponsored by the aforementioned club typically attracts an average audience of 100 MSAF-paying students; and,

Whereas the first event to be sponsored by the club is before the next CoCos meeting, leaving the members of Poor Choice Picture Show few options for funding; now, therefore be it,

Resolved that the PSGA Student Senate transfer the total of \$384.36 from the Unallocated line item to the Poor Choice Picture Show to be used for their Halloween event.
