

STUDENT SENATE
PURCHASE COLLEGE, STATE UNIVERSITY OF NEW YORK

MEMORANDUM

TO: PSGA Student Senate
FROM: President Joseph Chiavaro
DATE: Wednesday, October 21, 2015
SUBJECT: 1516-23 Extra Security for *Nightmare on G Street*

Action Requested

The proposed resolution calls on the PSGA Senate to allocate the necessary sum of funds from the Unallocated Line Item to pay for extra security during the *Nightmare on G Street* event

Resolution

I recommend that the PSGA Student Senate adopt the following resolution:

Whereas SOCA's event *Nightmare on G Street* falls on the night before Halloween and Halloween weekend has been known to be a dangerous weekend; and,

Whereas an error in room book space reservations out of the control of anyone occurred early on in the summer, leading to an oversaturate weekend of events; and,

Whereas this oversaturation will leave STOOD workers fatigued from the difficulty of keeping the space functioning; and,

Whereas the student activity board has deemed that extra security be necessary for STOOD to maintain their standards of safety; now, therefore be it,

Resolved the PSGA Senate allocate the necessary sum of funds from the general reserves to pay for extra security during the *Nightmare on G Street* event.
