PURCHASE COLLEGE, STATE UNIVERSITY OF NEW YORK

MEMORANDUM

TO: PSGA Student Senate

FROM: Bobby Woody, *Senator of School of the Arts*; Rachel Chevat, *Senator of School of the Arts*

DATE: Wednesday, October 28th, 2015

SUBJECT: 1516-22 Funding for Dance Master class

Action Requested

The proposed resolution calls for a total of \$250 from the Senator Initiative Fund for the purpose of funding a dance master class from MADBOOTS Dance Co. for any MSAF paying student to attend

Resolution

I recommend that the PSGA Student Senate adopt the following resolution

Whereas Laura Carella, a representative of the sophomore dance class has requested this master class on behalf of the dancers; and,

Whereas many students (dance majors and other aspiring dancers) could benefit from a class being taught from someone outside of the school and/or their field of study; now, therefore be it,

Resolved that the PSGA Student Senate allocates a total of \$250 from the Senator Initiative Fund towards funding a dance master class from MADBOOTS Dance Co.
