

WaveMaker Grants 2018

BUDGET: WaveMaker Grants will award up to \$5,000 to selected artists or artist groups for the creation of new work, the continuation of a long-term project, or research and development for new work.

Project Title: _____

Please include all projected expenses and anticipated income (if applicable) to formulate the total project budget.

If you have secured or anticipate additional funds, please list amounts and potential sources. If you've applied for additional sources of income, please explain how the scope of your project will change if that income is not secured.

Please make sure that expenses and income balance.
