**Authorization to Share Medical Information
Your Right to Medical Information Confidentiality**

HIPAA is an acronym that stands for Health Insurance Portability and Accountability Act that was made into law in 1996. By law, if you are 18 years or older, you have the right to strict confidentiality regarding your visits Crystal Medical. In order to release any information including the date or nature of your visit, Crystal Medical has to have your signed consent and specific directions about what information you are consenting to be released. Without written consent, Crystal Medical cannot release or discuss any information relating to your visit with anyone including your parents, guardians, spouse, faculty, staff, or coach.

In addition, you have the right to revoke this authorization at any time. This will be effective when Crystal Medical receives your written revocation. A copy of this authorization will be kept in your Crystal Medical health record. The information disclosed under this authorization might be re-disclosed by a recipient and may, as a result of this disclosure, no longer be protected to the same extent as this information was protected by law while solely in the possession of Crystal Medical
