MISSION

Mission

To provide pathways for all students to excel in lifelong learning
The Siletz Valley School’s staff strives to create a nurturing environment, foster a love of learning, motivate students to reach their full potential, and provide opportunities for students to achieve academic and social success.

Goals

• To graduate healthy, productive, and responsible citizens
• To provide a high-quality educational experience for each student
• To instill an appreciation for community and culture

History

Siletz Valley Schools consisted of two independently operated public charters with the Lincoln County School District. Siletz Valley School (SVS), which originally opened as a public school in 1937, became a K-8 charter school in 2003 and enrolled approximately 135 students. Siletz Valley Early College Academy (SVECA) was closed in 1983 but reopened in 2006 as a high school charter and enroll approximately 75 students. Both schools merged into a K-12 school in July 1, 2019 and continued to be governed by a five-member elected board. The school is administered by a superintendent/principal and administrative staff, and receive the majority of its operating funds through the State School Fund (SSF) with the remaining balance from grants and donations.

Building Hours

Regular school building hours are from 7:30 am to 3:30 pm. Please do not drop students off at the school prior to 7:30am. The SCHOOL DAY begins promptly at 8:00am and classes end at 3:00pm. The school assumes responsibility only for enrolled Siletz Valley School students on regular school days during building hours. The school offers breakfast starting at 7:30am to 8:00am, and lunch (time depends on grades and school schedule).

PREFACE

The material covered within this student handbook is intended as a method of communicating to students and parents regarding general public charter school information, rules and procedures and is not intended to either enlarge or diminish any Board policy, or administrative regulation. Material contained herein may therefore be superseded by such Board policy, or administrative regulation. Board policies are available at the school’s office.

Any information contained in this student handbook is subject to unilateral revision or elimination from time to time without notice.

ADMISSION

A student seeking enrollment in the public charter school for the first time must meet all academic, age, immunization, tuition and other eligibility prerequisites for admission as set forth in state law, Board policy and administrative regulations. Students and their parents should contact the office for admission requirements.

Public charter school law requires student enrollment be voluntary. If the number of applicants exceeds the capacity, students shall be selected through a lottery process.

Enrollment Policy

1. The Kindergarten informational meeting with Head Start parents occurs in the spring. This meeting will give the parents information about the upcoming enrollment times.

2. During the first 2 weeks in April, enrollment announcements will be mailed home with students, posted around Siletz, printed in the News Times newspaper and the Siletz Tribal paper, and notice will be sent out to inform the public of the upcoming enrollment process. No early applications will be accepted.

3. Pre-Enrollment
   - Our charter specifies that siblings of returning students will receive first priority during enrollment to strive to keep families together. Pre-enrollment is designed to accomplish that mandate.
   - Pre-Enrollment will begin on the 3rd Monday in April and continue until the Open enrollment period begins.
During pre-enrollment, returning SVS and students and their siblings will be able to register for the upcoming school year. Admittance will be on a first-come, first serve basis. If more students apply for a class than space is available, applicants will be placed on a waiting list on a first-come, first serve basis.

4. Open Enrollment
   - Open Enrollment will begin on the 1st Monday in May.
   - Open Enrollment is open to all potential students. During this time, pre-enrollment guidelines will no longer be in effect and all in-district students will be accepted on a first come, first-serve basis. Out-of-district applicants will only be accepted after all in-district applications are placed.
   - If more students apply for a class than space is available, applicants will be placed on a waiting list on a first-come, first serve basis.

5. Who qualifies as a sibling?
   The following students have equal standing as siblings:
   - Those with a biological tie sharing at least one parent, not necessarily living in the same household
   - Foster children in the same household as the SVS/returning student
   - Adopted children in the same household as the SVS/returning student. This household must be considered a “permanent placement home”.

A public charter school may not limit student admission based on race, religion, sex, sexual orientation, ethnicity, national origin, disability, health, whether a student has an individual education program (IEP) or the terms of that IEP, identified as talented and gifted, income level, residence, proficiency in the English language, athletic ability, or academic records, but may limit admission within a given age group or grade level.

ANIMAL DISSECTION
In courses including animal dissection, a student may request alternative coursework rather than participate in dissection activities on any animal. The public charter school will provide alternative materials and methods of learning the course curriculum. A student will not be penalized for exercising this option for alternative instruction opposed to animal dissection.

ASBESTOS
The public charter school has complied with the Asbestos Hazard Emergency Response Act (AHERA) by having its buildings inspected by accredited inspectors and the development of a management plan for the control of this substance.

The management plan is available for public inspection in the public charter school office. The administrator serves as the public charter school’s asbestos program manager and may be reached for additional information.

ASSEMBLIES
A student’s conduct in assemblies must meet the same standard as in the classroom. A student who does not abide by the public charter school’s Student Code of Conduct during an assembly shall be subject to disciplinary action.

ASSIGNMENT OF STUDENTS TO CLASSES
Students are assigned to classes based on the individual needs of the student, staffing and scheduling considerations. Parent requests to place a student in a particular class may be submitted to the public charter school administrator or a counselor prior to June 1 of the school year in question, or no later than six weeks prior to a semester break during a school year. Requests to change a student’s assigned class at other times must be directed to the public charter school administrator. Final decisions are the responsibility of the public charter school administrator or designee.

ATTENDANCE (2017 ORS 339.010¹ School Attendance Required)
1. Except as provided in ORS 339.030 (Exemptions from compulsory school attendance), all children between the ages of 6 and 18 years who have not completed the 12th grade are required to regularly attend a public full-time school during the entire school term.
2. All children five years of age who have been enrolled in a public school are required to attend regularly the public school while enrolled in the public school.

3. For the purpose of subsection (1) of this section, a child is considered to be six years of age if the sixth birthday of the child occurred on or before September 1 immediately preceding the beginning of the current school term.

4. For a child who is six years of age, the requirement of subsection (1) of this section is met if the child regularly attends any grade of a public full-time school during the entire school term.

Any parent or legal guardian who fails to send a student to school within three days of notification by the public charter school that their student is not complying with compulsory attendance requirements may be issued a citation by the public charter school for the student’s failure to attend school. Failure to send a student to school is a Class C violation of law and is punishable by a court imposed fine, as provided by ORS 339.925.

The public charter school will notify the parent in writing that, in accordance with law, the administrator will schedule a conference with the non-attending student and his/her parent(s) to discuss attendance requirements. The written notice will include the following:

1. The administrator or the designee has the authority to enforce the provisions of the compulsory attendance laws;
2. Failure to send a student to school is a Class C violation;
3. A citation may be issued by the public charter school;
4. A conference with the parent and student is required.

The written notification will be in the native language of the parent.

Additionally, a parent or guardian, or other person lawfully charged with the care or custody of a student under 15 years of age, may, under ORS 163.577 (1)(c), be found by the courts to have committed the offense of failing to supervise a child who has not attended school as required.

Failing to supervise a child is a Class A violation. Violations, as determined by the court, may be punishable by a requirement to complete a parent effectiveness program approved by the court and/or a fine.

A $500 incentive will be awarded to graduating students who maintain a yearly attendance (not averaged) of 92% in grades 9-12. Transfer students may also qualify on a pro-rated base.

**Absence and Excuses**

When returning to school after an absence, a student must bring a note signed by the parent that describes the reason for the absence. Parent/guardian has up to 48 hours from the time of absence to excuse the absence; Absence from school or class may be excused under the following circumstances:

1. Illness of the student;
2. Illness of an immediate family member when the student’s presence at home is necessary;
3. Emergency situations that require the student’s absence;
4. Field trips and school-approved activities;
5. Medical or dental appointments. Confirmation of appointments may be required;
6. Other reasons deemed appropriate by the school administrator when satisfactory arrangements have been made in advance of the absence.

Each school shall notify parents/guardians by the end of the school day if their child has an unplanned absence. The notification will be either in person, by telephone or another method identified in writing by the parent/guardian. If the parent/guardian cannot be notified by the above methods, a message shall be left, if possible.

**Exemptions from Compulsory Attendance** (ORS 330.030)

The school may grant an exemption from compulsory attendance to the parent of a student who is 16 or 17 years of age or an emancipated minor provided the student is:

1. Employed full-time;
2. Employed part-time and enrolled in school part-time;
3. Enrolled in a community college or other state-registered alternative education program.
All such request must be submitted in writing to the administrator and include documentation of the student’s employment by the employer, or enrollment status by the school. The school requires notification should the student’s employment or enrollment status be terminated.

Requests will be considered only following a conference with the student and parent or emancipated student and a review of credits earned for graduation, grades, disability, if applicable, standardized assessment results, teacher evaluations, counselor appraisal, immediate plans, short-range and career goals and any other pertinent information.

Approved exemptions will be in writing and include information on alternative education programs of instruction or instruction combined with counseling that may be available.

Exemptions will be granted for a limited time only, must be renewed on a semi-annual basis and will be reviewed by the school no later than the second week of each semester.

Parents will be notified of the need to reapply for an exemption no later than the second week of each semester or return the student to school until a high school diploma or GED is earned or until the student reaches age 18.

**Truancy**
A student who is absent from school or from any class without permission will be considered truant and will be subject to disciplinary action including detention, suspension, expulsion, ineligibility to participate in athletics or other activities and/or loss of driving privileges.

**AWARDS AND HONORS**

**Honor Roll**
Academic distinction is earned in several ways. High school students who earn a GPA of 3.0 during a semester are placed on the honor roll. Students who maintain a 3.0 GPA, good citizenship records, and service contributions are eligible for nomination to the National Honor Society in their junior year.

**CLASS RANKING**
The public charter school’s valedictorian and salutatorian may be permitted to speak as a part of the public charter school’s planned graduation program at the discretion of the administrator or designee. Titles and/or privileges available to or granted to students designated as valedictorian or salutatorian may be denied or revoked for violation of Board policy, administrative regulation or school rule. The graduating senior with the highest grade point average (GPA) is the class valedictorian, and the graduating senior with the second highest GPA will be the class salutatorian.

**CLOSED CAMPUS**
SVS is a closed campus. Students from other schools or friends of SVS students are not allowed on campus during school hours. Graduates or former students may visit after school or, with prior approval, during lunch. Guest speakers making classroom presentations must have prior approval from teachers. All visitors must sign in at the Attendance Office and carry a pass in the school. Unauthorized visitors will be asked to leave; repeated incidents will result in criminal trespass charges. Parents of SVS students are welcome at any time, but need to check in/out at the Attendance Office. It is a PRIVILEGE for High School students to be able to leave campus during lunch, which can be revoked at any time for any single student, entire grade/class or the school if it is determined that students abuse this privilege. Elementary and middle school students are absolutely NOT allowed to leave campus during lunch time or anytime unless expressed permission has been given.

**CLUBS AND ORGANIZATIONS**
Student clubs and performing groups such as the band, choir, dance, and drama teams may establish rules of conduct – and consequences for misconduct – that are stricter than those for students in general. If a violation is also a violation of the Student Code of Conduct, the consequences specified by the public charter school shall apply in addition to any consequences specified by the organization.

**COMMUNICABLE DISEASES**
Parents of a student with a communicable or contagious disease are asked to telephone the school health assistant/administrator so that other students who have been exposed to the disease can be alerted. A student with certain school restrictable diseases is not allowed to come to school while the disease is contagious. This restriction is removed by the written statement of the local health officer or a licensed physician (with the concurrence of the local health officer) that the disease is no longer communicable to others in the school setting.
For diseases listed below indicated by a single asterisk (*), the restriction may be removed by a school nurse. These diseases include chicken pox*, cholera, diphtheria, measles, meningitis, mumps*, whooping cough, plague, rubella, scabies*, staph infections*, strep infections*, and tuberculosis and pandemic flu*. Parents with questions should contact the school office.

For information on Head Lice (See PEDICUPOSIS on page 28)

**COMPUTER USE**

Students may be permitted to use the public charter school’s electronic communications system only to conduct business related to the management or instructional needs of the public charter school or to conduct research related to education consistent with the public charter school’s mission or goals. Personal use of public charter school computers, including e-mail access, is strictly prohibited.

The public charter school’s electronic communications system meets the following federal Children’s Internet Protection Act (CIPA) requirements:

1. Technology protection measures have been installed and are in continuous operation to protect against Internet access by both adults and students to visual depictions that are obscene, child pornography or, with respect to the use of the computers by students, harmful to students;
2. Educating minors about appropriate online behaviors, including cyberbullying awareness and response, and interacting with other individuals on social networking sites and in chat rooms;
3. The online activities of students are monitored;
4. Access by students to inappropriate matter on the Internet and World Wide Web is denied;
5. Procedures are in place to help ensure the safety and security of students when using electronic mail, chat rooms and other forms of direct electronic communications;
6. Unauthorized access, including so-called “hacking” and other unlawful activities by students online is prohibited;
7. Unauthorized disclosure, use and dissemination of personal information regarding students is prohibited;
8. Measures designed to restrict students’ access to materials harmful to students have been installed.

The public charter school retains ownership and control of its computers, hardware, software and data at all times. All communications and stored information transmitted received or contained in the public charter school’s information system are the public charter school’s property and are to be used for authorized purposes only. Use of public charter school equipment or software for unauthorized purposes is strictly prohibited. To maintain system integrity, monitor network etiquette and ensure that those authorized to use the public charter school’s system are in compliance with Board policy, administrative regulations and law, school administrators may routinely review user files and communications.

Files and other information, including e-mail, sent or received, generated or stored on public charter school servers are not private and may be subject to monitoring. By using the public charter school’s system, individuals consent to have that use monitored by authorized public charter school personnel. The public charter school reserves the right to access and disclose, as appropriate, all information and data contained on public charter school computers and public charter school-owned e-mail system.

Students who violate Board policy, administrative regulations, including general system user prohibitions, shall be subject to discipline up to and including expulsion and/or revocation of public charter school system access up to and including permanent loss of privileges. Violations of law will be reported to law enforcement officials.

**CONDUCT**

Students are responsible for conducting themselves properly, in accordance with the policies of the public charter school and the lawful direction of staff. The public charter school has the responsibility to afford students certain rights as guaranteed under federal and state constitutions and statutes.

**Student Code of Conduct**

The public charter school has authority and control over a student at school during the regular school day, at any school-related activity, regardless of time or location and while being transported in public charter school-provided transportation.

Off campus conduct and outside of school time conduct that violates the public charter school’s Student Code of Conduct may also be the basis for discipline up to and including expulsion if it has the potential to disrupt or impact the safe and efficient operation of the school or interfere with the rights of others.

The administrator may modify the expulsion requirement for a student on a case-by-case basis. Additionally, in accordance with Oregon law, any person who intentionally possesses a firearm, unless the person possesses a valid license under ORS 166.291 and 166.292, or other dangerous weapon in or on public charter school property or recklessly discharges a firearm in school is subject to criminal prosecution, a maximum five years imprisonment, $125,000 fine and forfeiture of firearm and/or other dangerous weapon or both. In accordance with the federal Gun-Free School Zone Act, possession or discharge of a firearm in a school zone is prohibited. A “school zone” as defined by federal law means, in or on school grounds or within 1,000 feet of school grounds, including public charter schools.
### Student Rights and Responsibilities

Among these student rights and responsibilities are the following:

1. Civil rights – including the right to equal educational opportunity and freedom from discrimination, the responsibility not to discriminate against others;
2. Once admitted to the responsibility to attend school regularly and to observe school rules essential for permitting others to learn at school;
3. The right to due process of law with respect to suspension, expulsion and decisions which the student believes injure his/her rights;
4. The right to free inquiry and expression, the responsibility to observe reasonable rules regarding these rights;
5. The right to privacy, which includes privacy in respect to the student’s education records.

### CONFERENCES

Regular conferences are scheduled annually in the fall and in the spring to review student progress.

Students and parents may also expect teachers to request a conference: (1) if the student is not maintaining passing grades or achieving the expected level of performance; (2) if the student is not maintaining behavior expectations; or (3) in any other case the teacher considers necessary.

The public charter school encourages a student or parent in need of additional information or with questions or concerns to confer with the appropriate teacher, counselor or administrator. A parent who wishes to confer with a teacher may call the office for an appointment before or after school, during the teacher’s preparation period or request that the teacher call the parent to arrange a mutually convenient time.

### COUNSELING

#### Student Support Team (SST)

This program provides prevention, education, and intervention for the /SVS community including students, parents or guardians, and school staff. The Student Support Team, an interdisciplinary team of support staff, meets regularly to discuss students who are not experiencing success at school. The team addresses the issues and needs of each student referred. /SVS believes that a team approach better utilizes resources and eliminates duplication of services. A referral process encourages staff, parents or guardians, or concerned friends to refer students to the counseling office if they suspect alcohol use or involvement with other drugs.

The school staff strives to facilitate academic, personal, and interpersonal growth for all students in a drug-free and safe school environment. Information about services is available to students, parents, guardians, and staff. If a student comes forth seeking help for alcohol or drug use and abuse, he or she will be referred for treatment without the fear of school discipline.

### CREDIT BY EXAMINATION

A student, who has had sufficient prior formal instruction, as determined by the public charter school and on the basis of a review of the student’s educational records, may gain credit for a course by passing an examination designed to measure proficiency or mastery of identified standards (knowledge and skills). A student may not use credit by examination to regain eligibility to participate in extracurricular activities.

### CREDIT FOR PROFICIENCY

In addition to credit by successfully completing classroom or equivalent work as in a course of at least 130 clock hours, a student may receive credit toward a diploma or a modified diploma based on any one or more of the following options levels in which the student demonstrates proficiency or mastery of recognized standards through:

1. Classroom or equivalent work that meets Common Curriculum Goals and academic content standard required by OAR 581-022-1210;
2. Classroom or equivalent work in class or out of class, where hours of instruction may vary;
3. Passing an appropriate exam;
4. Providing a collection of work or other assessment evidence; and/or
5. Providing documentation of prior learning activities or experiences, (e.g., certificate of training, letters, diplomas, awards, etc.).
Siletz Valley School – Parent/Student Handbook

CYBERBULLYING
The public charter school prohibits any form of harassment, intimidation or bullying, through electronic means, which is known as cyberbullying. A student may be subject to discipline, up to and including expulsion, for a violation. A student may also be referred to law enforcement for a violation. Student or volunteers may report cyberbullying anonymously. Remedial action shall not be based solely on an anonymous report.

DAMAGE TO PUBLIC CHARTER SCHOOL PROPERTY
A student who is found to have damaged public charter school property will be held responsible for the reasonable cost of repairing or replacing that property. The public charter school will notify students and parents of all such charges. If the amount due is not paid within 10 calendar days of receipt of the public charter school’s notice, the amount will become a debt owed and certain penalties and/or restrictions may be imposed. See Fee, Fines and Charges.

DISCIPLINE/DUE PROCESS
A student who violates the Student Code of Conduct shall be subject to disciplinary action.

A student’s due process rights will be observed in all such instances, including the right to appeal the discipline decisions of staff and administrators.

Discipline in the district is based upon a philosophy designed to produce behavioral changes that will enable students to develop the self-discipline necessary to remain in school and to function successfully in their educational and social environments.

Student disciplinary sanctions will offer corrective counseling and sanctions that are age appropriate, and to the extent practicable, that use approaches that are shown through research to be effective.

Disciplinary measures are applied, without bias, depending on the nature of the offense. The age and past pattern of behavior of a student will be considered prior to any suspension or expulsion.

When an out-of-school suspension is imposed on a student in the fifth (5th) grade or lower, the public charter school shall take steps to prevent the reoccurrence of the behavior that lead to the out-of-school suspension, and return the student to a classroom setting to minimize the disruption of the student’s academic instruction.

In addition, when a student commits substance abuse, drug or drug paraphernalia, alcohol- and/or tobacco-related offenses or any other criminal act, he/she may also be referred to law enforcement officials. Violations of the public charter school’s weapons policy, as required by law, shall be reported to law enforcement.

Discipline (List below does not encompass every unforeseeable scenario or situation)

SVS students are expected to demonstrate very high standards of behavior: to be in class on time, regularly attend school, and behave appropriately at school and at all school-sponsored activities. Various federal and state laws, as well as school board policies, govern and outline the operation of Siletz Valley School. These laws and policies are designed to protect the legal rights of students and provide operating procedures for the school.

Discipline guidelines listed here apply to students while at school and school-sponsored events regardless of the time or location. If a student misbehaves, a process of progressive disciplinary action will be applied in an attempt to correct inappropriate and unacceptable behavior and focus the student on the path to educational and personal success. The goals of disciplinary action are to encourage students to:

- Accept responsibility for their actions
- Demonstrate improvement and personal growth
- Correct inappropriate and unacceptable behavior
- Develop better understanding of the problem and the need for behavior change

Disciplinary Interventions

Administrative Conference (CONF)
School administrator or designee meets with the student and parent or guardian. A contract to correct behavior is developed.
Confiscation of Technology Violation (TECV)
Electronics and communication devices such as smartphones, laptops, iPads, Chromebooks, games, etc. not authorized and interfere with school activities are taken away from the student for the remainder of the school day or longer if necessary.

Detention (DET/ASD)
Student is required to attend the prescribed detention time and date(s). Detention can occur before, during (including lunch) and after school hours.

Emergency Expulsion (EXPU)
The student is immediately removed from school if he or she poses an immediate threat to him/herself, other students, school staff, or a threat of substantial disruption to the school. Parents and/or guardians will be notified and asked to pick up their child. Law enforcement will be notified if necessary.

In-School Suspension (ISS/SUSI)
The student is removed from class or other school activities and placed in ISS. The ISS may last for the remainder of a class period, multiple class periods, or from one to three days, depending on the severity of the misbehavior. Students are expected to work on class work, pick up litter, or perform some other community or school service project during the ISS. The ISS may be converted to an after school detention (DET) by the request of a parent or guardian. The parent or guardian is notified.

Loss of Eligibility (LOSS)
Students who use illegal substances, are chronically absent from classes, vandalize school property, repeatedly bring prohibited items to school (smartphones, other electronic devices, etc.), or are not in good standing with the school, will not be allowed to participate in school-sponsored activities such as clubs and athletics.

Out of School Suspension (OSS/SUSO)
The student is removed from school for one to 10 days, depending on the severity of the misbehavior. The parent or guardian is notified.

Restitution (REST)
If a student damages, vandalizes or steals school property, he or she will be expected to compensate the school for the loss by repairing or replacing the property.

Suspension Pending Expulsion (SUSX)
The student is removed from school for 11 or more days pending an expulsion hearing. The parent or guardian is notified.

*Includes pellet, air, or paintball guns; knives, clubs, fireworks, explosives, mace, pepper spray, etc. It is a violation of school policy and state law for any person to be in possession of a firearm or dangerous weapon on school premises, school-sponsored transportation, or other facilities used for school activities. Students who violate this policy are subject to discipline policies and procedures, including due process provisions regarding notification of parents or guardians. Students in violation of the policy are subject to a minimum one calendar-year expulsion, with a possible modification by the principal. School staff will notify the appropriate law enforcement agency or juvenile authorities with the names of violators.

**A gang is a group of three or more people who meet for antisocial or illegal activity. This includes recognized gangs and/or groups who gather to mimic gang activity. The use of hand signals, graffiti, or the presence of any apparel, jewelry, accessory, or manner of dress or grooming that, by virtue of its color arrangement, trademark, symbol, or other attribute implies membership or affiliation with a gang is prohibited. Because gang symbols change frequently, the school follows law enforcement guidelines. Students will be asked to change clothing or refrain from gang behavior. Failing to do so will result in discipline, suspension, or expulsion. Student behavior, dress, signing, or symbolism intended to represent gang affiliation will not be tolerated on school grounds or at any school-sponsored activities.

***Includes possession, use, under the influence, sale, delivery, or presence on school property or school-sponsored activity. Also includes paraphernalia intended for storage, use, or distribution of alcohol, drugs, or controlled substances.
## Siletz Valley School – Parent/Student Handbook

### Detention

A student may be detained outside of school hours for not more than two hours on one or more days if the student violates the Student Code of Conduct. The detention shall not begin, however, until the student’s parents have been notified of the reason for the detention and can make arrangements for the student’s transportation on the day(s) of the detention.

### Suspension (For students in the fifth (5th) grade or lower, see Discipline/Due Process section above.)

A student whose conduct or condition is seriously detrimental to the school’s best interests may be suspended for up to and including 10 school days. A student may be suspended for one or more of the following reasons: a) willful violation of Board policies, administrative regulations or school rules; b) willful conduct which materially and substantially disrupts the rights of others to an education; c) willful conduct which endangers the student, other students or staff members; or d) willful conduct which endangers district property.

The public charter school may require a student to attend school during non-school hours as an alternative to suspension.

An opportunity for the student to present his/her view of the alleged misconduct will be given. Each suspension will include a specification of the reasons for the suspension, the length of the suspension, a plan for readmission and an opportunity to appeal the decision.

Every reasonable and prompt effort will be made to notify the parents of a suspended student.

While under suspension, a student may not attend after-school activities and athletic events, be present on public charter school property nor participate in activities directed or sponsored by the public charter school.

School work missed by a student while on suspension may be made up upon the student’s return to school if the work missed reflects achievement over a greater period of time than the length of the suspension. For example, a student will be allowed to make up final, mid-term and unit examinations without an academic penalty.

### Expulsion

Students may be expelled for any of the following circumstances: a) when a student’s conduct poses a threat to the health or safety of students or employees; b) when other strategies to change the student’s behavior have been ineffective; or c) when required by law.

No student may be expelled without a hearing unless the student’s parent or the student, if 18 years of age, waives the right to a hearing, either in writing or by failure to appear at a scheduled hearing.

An expulsion shall not extend beyond one calendar year.

The public charter school will provide appropriate expulsion notification including expulsion hearing procedures, student and parent rights as required by law. Prior to expulsion, the public charter school must notify the resident district of the student of the impending expulsion.

### Discipline of Students with Disabilities

When a student being served by an individualized education program (IEP) engages in conduct which would warrant suspension of more than 10 days or expulsion for a non-disabled student, the student’s parents will be notified immediately (within 24 hours) of the circumstances of the misbehavior and the time and location of the student’s IEP team meeting addressing the infraction and its relationship to the disability.

The IEP team will determine whether the misconduct is a manifestation of the student’s disability. Should the IEP team conclude the misconduct has no relationship to the student’s disability, the student may be disciplined in the same manner as would other students would be disciplined.

If the IEP team concludes the misconduct is a consequence of the student’s disability, the team may review and revise the student’s IEP and determine whether a change in placement is needed. The public charter school may not suspend for more than 10 days or expel a student with a disability or terminate educational services for any behavior which is a manifestation of the disability.

A student may be removed from the current educational placement to an appropriate interim alternative educational setting for the same amount of time that a student without a disability would be subject to discipline, but for not more than 45 calendar
days in a school year for a drug or weapon violation as provided in public charter school procedures. Additionally, the district may request an expedited due process hearing to obtain a hearings officer’s order to remove a student to an interim alternative educational setting for not more than 45 days if the student is exhibiting injurious behavior. For the purpose of this request, “injurious behavior” is defined as behavior that is substantially likely to result in injury to the student or to others.

**DISTRIBUTION OF MATERIAL**

All aspects of school-sponsored publications, including web pages, newspapers and/or yearbooks, are completely under the supervision of the teacher and administrator. Students may be required to submit such publications to the administration for approval. Generally, high school student journalists have the right to exercise freedom of speech and of the press in school sponsored media. School sponsored media prepared by student journalists are subject to reasonable time, place and manner restrictions pursuant to state and federal law.

Written materials, handbills, photographs, pictures, petitions, films, tapes or other visual or auditory materials may not be sold, circulated or distributed on public charter school property by a student or a nonstudent without the approval of the administration.

Materials not under the editorial control of the public charter school may be subject to administrative review, restricted or prohibited, based on legitimate educational concerns. Such concerns include whether the material is defamatory; age appropriate to the grade level and/or maturity of the reading audience; poorly written, inadequately researched, is biased or prejudiced; not factual; or not free of racial, ethnic, religious or sexual bias. Materials include advertising that is in conflict with public school laws, rules and/or Board policy, deemed inappropriate for students or may be reasonably perceived by the public to bear the sanction for approval of the public charter school.

The public charter school may designate the time, place and manner for distribution.

If material is not approved within 24 hours of the time that it was submitted, it must be considered disapproved.

Disapprovals may be appealed by submitting the disapproved materials to the administrator; material not approved by the administrator within three days is considered disapproved. This disapproval may be appealed to the Board at its next regular meeting when the individual shall have a reasonable period of time to present his/her viewpoint.

**DRESS AND GROOMING**

The public charter school’s dress code is established to promote appropriate grooming and hygiene, prevent disruption and avoid safety hazards.

SVS students are expected to respect themselves, their fellow students, and school staff by dressing appropriately for school. Clothing must be in keeping with the standards of the community and must not be disruptive to the learning environment. The following rules apply on campus or at school-sponsored activities:

- No bare midriffs, half shirts, tube tops, or swimsuit tops (even under tank tops)
- No tank tops with open sides or backs.
- No pajamas and bedroom slippers.
- No visible front or back cleavage.
- No shirts or other clothing with writing that refers to sex, drugs, gangs, alcohol, tobacco, profanity, etc.
- No head coverings, bandanas, “head rags,” hoods, visors, handkerchiefs, scarves, etc.
- No sunglasses or novelty contact lenses
- No gang-related attire, as defined by school staff
- Shoes and sandals must be worn on campus, as outlined in state health regulations
- Undergarments may not be exposed
- Shorts, skirts, and dresses must be no more than three inches above the knee.

Students who represent the school in a voluntary activity may be required to meet additional dress and grooming standards approved by the administrator and may be denied the opportunity to participate if those standards are not met.

**DRILLS - FIRE, EARTHQUAKE, SAFETY THREATS AND OTHER EMERGENCY DRILLS**

Instruction on fire and earthquake dangers and drills for students shall be conducted for at least 30 minutes each school month. At least one fire drill will be conducted each month for students in grades K-12. At least one fire drill will be conducted within the first 10 days of the school year.
At least two drills on earthquakes and two drills for safety threats for students will be conducted each year for students in grades K-12.

A map/diagram of the fire escape route to be followed is posted near all classroom doorways and reviewed with students. When the fire alarm is sounded, students must follow the direction of staff quickly, quietly and in an orderly fashion.

**DRUG, ALCOHOL AND TOBACCO PREVENTION PROGRAM**

The possession, selling and/or use of illegal and harmful drugs, alcohol and tobacco are strictly prohibited. This includes substance abuse and drug paraphernalia. This prohibition applies during the regular school day and/or at any public charter school-related activity, regardless of time or location and while being transported on public charter school-provided transportation. Student in violation of the public charter school’s drug, alcohol and tobacco policy will be subject to disciplinary action and referral to law enforcement officials, as appropriate, in accordance with the Student Code of Conduct.

Since drug, alcohol and tobacco use is illegal for students and interferes with both effective learning and the healthy development of students, the public charter school has a fundamental and ethical obligation to prevent drug, alcohol and tobacco use and to maintain a drug-free educational environment.

An aggressive intervention program to eliminate drug, alcohol and tobacco use has been implemented throughout the public charter school. As part of this program, an age-appropriate drug, alcohol and tobacco prevention curriculum will be taught annually to all students.

The program also includes staff training in public charter school procedures for the identification and referral of students whose behavior is interfering with their potential success socially, emotionally, physiologically and/or legally as a result of illegal drug, alcohol and tobacco use.

The public charter school’s drug, alcohol and tobacco prevention program will be reviewed and updated annually. Parents are encouraged to contact the counseling office for information on public charter school and community resources available to assist students in need.

**EMERGENCY MEDICAL TREATMENT**

A student who becomes ill or is injured at school must notify his/her teacher or another staff member as soon as possible. In the case of a serious illness or injury, the school shall attempt to notify parents according to information provided on emergency forms and submitted by parents to the school. Parents are encouraged to update this information as often as necessary. If the student is too ill to remain in school, the student will be released to the student’s parents or to another person as directed by parents on the student’s emergency form.

School staff may administer emergency or minor first aid, if possible. The school will contact emergency medical personnel, if necessary, and will attempt to notify the student’s parents whenever the student has been transported for treatment.

**EMERGENCY SCHOOL CLOSING INFORMATION**

In case of hazardous or emergency conditions, the administrator may alter public charter school and transportation schedules, as are appropriate to the particular condition. Such alterations include closure of all schools, closure of selected schools or grade levels, delayed openings of schools and early dismissal of students. Information concerning the closure of our school for emergencies such as storms, road conditions, unexpected hazards or health precautions will be broadcast over the following radio stations:

In addition, the school and district will utilize an all-call phone system to inform parents and staff in case of emergency. Parents should not bring students to school and drop them off unless they are sure school will be in session and staff is present at school.

**EXTRACURRICULAR ACTIVITIES**

All students, regardless of their ability levels, are encouraged to take part in extracurricular activities and the many worthwhile learning experiences that involvement in student government, student clubs, organizations, athletics and other activities has to offer.

Interested students should contact the office for additional information. Public charter school students may participate in activities of the district in which the public charter school is located if they meet district criteria.

**Athletics and Other Activities**

Students can take advantage of athletics and other extracurricular programs, which are a significant part of the high school experience. The high school will compete as a member of the OSAA assigned league, which participates in major sports for boys and girls including football, volleyball, basketball, wrestling, baseball, softball, cheerleading and track and field (when offered). In order to be involved in any of these athletic activities, a student must be enrolled full time, meet the academic standards set by OSAA and Siletz Valley School, and be in attendance all day the day of the activity to participate. (Detailed athletic program information in the **Athlete Code of Conduct Handbook**.)

**FEES, FINES AND CHARGES**

Materials that are part of the basic educational program are provided without charge to a student. A student is expected to provide his/her own supplies of pencils, paper, erasers and notebooks and may be required to pay certain other fees or deposits, including:

1. Club dues;
2. Security deposits;
3. Materials for a class project the student will keep in excess of minimum course requirements and at the option of the student;
4. Personal physical education and athletic equipment and apparel;
5. Voluntary purchases of pictures, publications, class rings, graduation announcements, etc.;
6. Student accident insurance and insurance on school-owned instruments;
7. Instrumental rental and uniform maintenance;
8. Student identification cards;
9. Fees for damaged library books and school-owned equipment;

**Sports Fees:** High School-$75; Middle School-$50

Any required fee or deposit may be waived if the student and parent are unable to pay. Application for such a waiver may be made to the administrator.

The public charter school may impose certain restrictions and/or penalties until fees, fines or damages are paid. All such restrictions and/or penalties shall end upon payment of amount owed. Fees, fines and charges owed to the public charter school may be waived at the discretion of the administrator or designee if:

1. The public charter school determines that the parent of the student is unable to pay the debt;
2. The payment of the debt could impact the health or safety of the student;
3. The creation of the notice of the debt owned would cost more than the potential total debt collected relating to the notice;

The public charter school may pursue possible restrictions and/or penalties through a private collection agency or other method available to the public charter school.
### Debts

Debts not paid within 10 calendar days of the public charter school’s notice to the student and parent will result in possible restrictions and/or penalties, until the debt is paid and possible referral of the debt to a private collection agency or other methods available to the public charter school. A request to waive the student’s debt must be submitted in writing to the administrator or designee. Such requests must be received no later than 10 calendar days following the public charter school’s notice.

### Field Trips

Field trips may be scheduled for educational, cultural or other extracurricular purposes. All students are considered to be “in school” while participating in public charter school-sponsored field trips. This means students are subject to the school’s student conduct rules, applicable Board policy and such other rules as may be deemed appropriate by the field trip supervisor.

### Foreign Exchange Students

The school may enroll a maximum of 5 students from other nations from those exchange programs officially recognized by the Board. Admission of exchange students will be made only at the beginning of a semester. All arrangements for admission in the fall semester must be concluded by August 15, prior to the beginning of the school term. All placement arrangements for admission to the second semester must be completed by December 15.

The student body treasurer serves as the student government representative in administration of student activity funds.

### Gangs

A gang is defined as any group that identifies itself through the use of a name, unique appearance or language, including hand signs, the claiming of geographical territory or the espousing of a distinctive belief system that frequently results in criminal activity.

In an effort to reduce gang involvement, the public charter school encourages students to become involved with public charter school-sponsored clubs, organizations and athletics and to discuss with staff and public charter school officials the negative consequences of gang involvement and to seek the assistance of counselors for additional guidance and public charter school and community resources that offer support to students and alternatives to gang involvement.

No student on or about public charter school property or at any public charter school activity shall wear, possess, use, distribute, display or sell any clothing, jewelry, emblem, badge or any other such symbol evidencing gang membership or affiliation. No student shall use any speech, either verbal or nonverbal (gestures, handshakes, etc.) signifying gang membership or affiliation. No student shall solicit other students for membership in any gangs nor commit any other illegal act or other violation of public charter school policies.

Students in violation of the public charter school’s gang policy will be subject to discipline in accordance with the public charter school’s Student Code of Conduct.

GRADE REDUCTION/CREDIT DENIAL

Punctual and regular attendance is essential to the academic success of students. Public charter school staff may consider a student’s attendance in determining a grade reduction or credit denial, though attendance will not be the sole criterion used. Such decisions will not be based on nonattendance due to religious reasons, a student’s disability or an unexcused absence, as determined by public charter school policy.

At the beginning of each school year or course, teachers will inform students and parents how attendance and class participation are related to the instructional goals of the subject or course.

Due process will be provided to any student whose grade is reduced or credit denied for attendance rather than for academic reasons.

GRADUATION EXERCISES

Students in good standing who have successfully completed the requirements for a high school diploma, a modified diploma, an extended diploma or an alternative certificate may participate in graduation exercises. Additionally, students may be denied participation in graduation exercises for violation of Board policies, administrative regulations or school rules.

3. The conduct or communication is so severe, persistent or pervasive that it has the purpose or effect of unreasonably interfering with a student’s educational performance or with an employee’s ability to perform his/her job; or creates an intimidating, offensive or hostile educational or working environment. Relevant factors to be considered will include, but not be limited to, did the individual view the environment as hostile; was it reasonable to view the environment as hostile; the nature of the conduct; how often the conduct occurred and how long it continued; age and sex of the complainant; whether the alleged harasser was in a position of power over the student or staff member subject to the harassment; number of individuals involved; age of the alleged harasser; where the harassment occurred; and other incidents of sexual harassment at the school involving the same or other students or staff.

The educational assignments or study environment of the student shall not be adversely affected as a result of the good faith reporting of sexual harassment.
Students or parents with complaints not covered by this student handbook should contact the administrator.

Memory aids and personal working notes of individual staff members are considered personal property and are not to be interpreted as part of the student’s education records, provided they are in the sole possession of the maker.

**Access/Release of Education Records**

By law, both parents, whether married, separated or divorced, have access to the records of a student who is under 18 years of age unless the public charter school is provided evidence that there is a court order, state statute or legally-binding document relating to such matters as divorce, separation or custody that specifically revokes these rights.

Parents of a minor, or an eligible student (if 18 years of age or older), inspect and review education records during regular public charter school hours.

**Provision for Hearing to Challenge Content of Education Records**

Parents of a minor, or eligible student (if 18 years of age or older), may inspect and review the student’s education records and request a correction if the records are inaccurate, misleading or otherwise in violation of the student’s privacy or other rights. An individual who does not have a direct interest in the outcome of the hearing shall preside over the panel. He/she shall hear evidence from the staff and from the parents to determine the point or points of disagreement regarding the education records. The panel shall make a determination after hearing the evidence and determine what steps, if any, are to be taken to correct the education record. Such actions are to be made in writing to the parents.

If, after such hearing is held as described above, the parents are not satisfied with the recommended action, the parents may appeal to the Board where the action of the hearings panel may be reviewed and affirmed, reversed or modified. Procedure for appeal beyond the local Board follows the prescribed actions as set forth in federal regulations. The parent or eligible student may file a complaint with the Federal Family Compliance Office, United States Department of Education regarding an alleged violation of the Family Educational Rights and Privacy Act. File complaints with the Family Policy Compliance Office, U.S. Department of Education, Washington D.C., 20202.

The provision of the student’s social security number is voluntary and will be included as part of the student’s permanent record only as provided by the eligible student or parent. The public charter school will notify the eligible student or parent as to the purposes a social security number will be used. At no point will a student’s social security number or student identification number be considered directory information.

**Student Restraint and Seclusion**

The use of physical restraint and/or seclusion is permitted only as a part of a behavior support plan when other less restrictive interventions would not be effective and the student’s behavior poses a threat of imminent, serious physical harm to self or others.

Except in the case of an emergency, only staff current in the required training in accordance with the public charter school-designated physical restraint and seclusion training program will implement physical restraint or seclusion with a student.

In an emergency, physical restraint and/or seclusion may also be used by a school administrator, teacher or other school employee or volunteer, as necessary, when the student’s behavior imposes a reasonable threat of imminent, serious bodily injury to the student or to others. The use of physical restraint or seclusion under these circumstances is only allowed so long as the student’s behavior poses a threat of imminent, serious physical harm to themselves or to others.

Any student being restrained or secluded within the public charter school whether an emergency or as part of a plan shall be constantly monitored by staff for the duration of the intervention.

Parents will be notified if their student has been restrained or secluded as described above.

VEHICLES/BICYCLES ON CAMPUS

Vehicles parked on public charter school property are under the jurisdiction of the public charter school. The public charter school requires that before parking privileges are granted the student must show that he/she holds a valid driver’s license, the vehicle is currently registered and that the student driving the vehicle is insured under a motor vehicle liability insurance policy or that the student or vehicle owner has provided the Motor Vehicles Division with other satisfactory proof of compliance with the financial responsibility requirements of the state.

In applying for a parking permit student will be notified that parking on district property is a privilege and not a right. Students will be notified that as a condition of parking on public charter school property, public charter school officials may conduct searches of vehicles upon reasonable suspicion of a policy, rule and/or procedure violation.

Parking privileges, including driving on district property, may be revoked by the administrator or designee for violations of Board policies, administrative regulations or school rules.

Bicycles ridden to school by students must be parked in the designated area on school grounds and should be locked. Students under the age of 16 must wear a helmet as required by law.

The public charter school assumes no liability for loss or damage to vehicles or bicycles.
