Thank you for choosing Northern New Jersey Council's Camp No-Be-Bo-Sco! We are glad you chose to join us this summer, and look forward to helping you have a memorable camp experience.

I hope this guide provides the information that you need to have a successful and enjoyable experience at camp. In addition to all of the rules and regulations of camp, the guide gives you some insights into what programs and activities to expect. Please take some time to examine the merit badge schedule. Please read information about Cooking MB carefully! We will be continuing our procedure from summer 2018, which was a big change from previous years. There are some requirement changes as well as changes in times we offer badges. We have also added in some new badges so please take a look. Please be sure to review adult leadership requirements. Adult registration in the BSA is required for all! Must bring proof of this to camp. This is a BSA requirement, not just a NoBe requirement.

Cell Phones and other electronic devices are not to be used in and around camp. Leaders may use them with discretion in their campsites, scouts may not have them! No exceptions. Please do not allow your scouts to bring an iPhone, iPad or equivalent device to camp. These devices are not in the spirit of Scout camping at NoBe. Please make sure your parents know this well in advance.

No-Be-Bo-Sco is continuing its 30+ year tradition of offering a Trail to Eagle program for your older Scouts. Please realize that there are many prerequisites for the program, and this is one area where we cannot be flexible. If you prefer to have your Scouts work on these badges with a home counselor, then it is your responsibility to not sign their cards for entrance into the badge.

Uniforms and proper dress: The Scout uniform is an important part of Scouting. Make sure that the leaders and the Scouts in camp come with their summer class A uniform to wear for dinner each evening. If finances are an issue, used uniforms are often available at thrift shops. Contact your council representative if you have financial problems. Please do not allow your Scouts or leaders to wear multicolored shorts with their Scout shirts! Do not put your honor troop award at risk. Adult Leaders should be uniformed leaders! Don’t embarrass your troop. Compression shorts and leggings are not outerwear at camp, and require pants or shorts on top of them. In addition, compression shorts do not count as swimwear and require appropriate shorts/swimwear over them.

Please note that we are going to need to limit the number of leaders that each troop can bring due to the number of scouts already signed up. Please don’t disappoint your adults by promising them a space at camp without first checking the number guidelines on page 48! If you have a larger number, arrange for those adults to split the week.

Our camp team has returned in full this year! Marc Jenkins and Todd Scheuren will be serving as Assistant Camp Directors. Matt Sigler will be back as Program Director, and Jay Fink returns again as Head Cook. Bill Kane will be back as Head Commissioner, and Bruce Lemken also returns as Range Dir. Please feel free to contact me at anytime--usually you get my machine, so please do leave a message! Email is the best choice. YIS:

A camp patch is included with each Scout payment. There are NO partial week fees, a Scout always pays for a full week.

Leader’s Fee: This year’s leader fee is $135. We will follow a system that is like previous years. A chart that lists the exact numbers is on page 48. It is basically one leader free for each 8 Scouts, but check the chart to be sure.

Leader’s Count: To allow more Scouts to attend camp the number of leaders allowed for each troop are based on your Scouts attending. Please refer to the chart later in the guide. It is roughly 1 leader per 6 Scout, but check the chart for an exact count. Remember, allowed does not equal free.

Camp Reservations: To reserve a site, a troop must pay a nonrefundable hold-a-site fee of $250. This fee will be applied to your final fee payment.

Refund Policy: NoBe will be required to strictly adhere to the Council’s refund policy. Please see later in this guide for complete information.
Camp No-Be-Bo-Sco 2020 Leader’s Guide

Camp Leadership

Camp Scoutmaster

Current BSA policy requires that each troop be under the leadership of two (2) adults over the age of 21.

It is preferable that the Year-Round Scoutmaster attend, but if this is not possible the troop committee names a "Camp Scoutmaster". Any adult staying with your troop this summer must be registered with the Boy Scouts of America. This was a new requirement for 2011- it is necessary for us to comply with NJ Camp codes. The troop will need to bring proof of registration, which can either be copies of both sides of the membership card, or a current troop charter with any leaders names listed. This is a BSA requirement!

ANY PARENT OR LEADER STAYING OVER IN CAMP MUST HAVE A CURRENT PHYSICAL COMPLETED ON THE CURRENT BSA FORM!  This includes the physician’s signature portion – part c - no matter how long you are staying in camp.

Adult leaders should have a Class A Scout uniform to wear.

The Camp Scoutmaster works with the Senior Patrol Leader in developing their camp program. He also should attend the daily camp leader's meetings. The Camp Scoutmaster coordinates all adult leadership in his troop. All troop adult leaders are responsible to the Camp Scoutmaster.

Rotating leadership is possible, but all leaders must be registered members of the Boy Scouts.

Senior Patrol Leader

Each troop's SPL is part of the Camp Senior Patrol Leaders Council, which meets each day with the Camp Program Director. The SPL works on planning camp wide events as well as coordinating other troop activities. The SPL runs a Patrol Leaders Council meeting within your troop at least once during the week. If your SPL is not able to attend camp, a "Camp" Senior Patrol leader should be appointed.

Scouts BSA at Camp No-Be-Bo-Sco

Camp No-Be-Bo-Sco will be welcoming Scouts BSA for our unique summer adventure. While the program will be identical for male and female participants a reminder for female troops the BSA requires two 21-year old leaders, at least one of whom is female. All sites will be single gender.

If you are not able to meet this number - or have a girl who is interested in going a different week – we can try to link you with another female troop. This is at the discretion of their leaders and yours.
Leadership Training Opportunities

Boy Scout Leader Training
It is recommended that the Camp Scoutmaster have completed Scoutmaster fundamentals training. It is a requirement that all leaders complete the Youth Protection Training. Talk with your District Executive about this.

Pre-Camp Orientation and Leaders’ Meeting
This session is important for the Camp Scoutmaster, who should attend if at all possible. This year’s pre-camp meeting will be held at the Rescue Hall on Romaine Street in Fair Lawn, NJ on Monday, June 22nd and will start at 7:30 PM. Theme and program items will be given. Check campnobebosco.org for details.

Camp Leaders Roundtable
This is a daily meeting with the Camp Director, Asst. Camp Director, or Head Commissioner

Camp Senior Patrol Leaders Council
This is a daily meeting with the Program Director. Plans for camp wide activities, troop activities, and campfires are discussed.

Camp Check-In / Check Out Procedures

Registration
- All adult leaders and Scouts camping on the property must be current, registered members of the Boy Scouts of America. A complete camp roster must be turned in at the camp office at check-in. All adults and youth must have parts A, B, and C on the current BSA Medical form properly signed to stay at camp. The information must be on the BSA medical. No other forms can be used. This includes school physical forms. This is very important. This includes parents staying for even one night.

- Parents may want to come with the Scout at check-in for serious medications. At check in, the troop must present copies of each adult’s BSA registration card, or a copy of the current troop charter with each adult listed.

Arrival Time
- CAMP OPENS AT 1:00 PM SUNDAY. PLEASE DO NOT ARRIVE EARLIER. We will not be able to assist anyone until 1:00 PM. NO EXCEPTIONS! The time up until 1 pm is critical to the staff for getting camp ready.

You will not know your site until 1pm on Sunday.
### Suggested Items For A Smooth Check-In

- 2 copies of current signed Scouts medicals in alphabetical order - One for the troop, one for the camp
- A complete roster of all Scouts attending camp with the troop
- Copies of receipts, payments, correspondence with the Council Office
- Copies of registration for leaders for the week (or troop charter showing leaders)
- Troop checks to settle payment (if necessary), or for end of the week purchases

### Vehicles
- Vehicles are NOT permitted on the A-Field. We will allow 1 vehicle per troop to go in ON THE ROAD, unload, and pull out. Vehicles must be returned to the parking lot by 5pm Sunday. No vehicles are permitted to stay in the site. Troop trailers can be kept in the troop site for the week. Vehicles may not enter the site for pick up until after closing colors.

### Campsite Host
- When you arrive at camp, your campsite host will be waiting in the parking lot (starting at 1pm). Your host will show you around the campsite and welcome you and your troop to the camp. The host will take your troop on the camp tour. A leader should report ASAP to the camp office for registration and verification of payment.

- Be advised, you may be sharing a site with another troop, your host will set out what part of the site the troop will use.

### Medical Forms
- Please take the time to review all medical forms prior to camp!
- Check for parent and a doctor’s signature on the BSA form. It cannot be on a separate form. **It must be signed by the doctor within the last year.**
- We recommend bringing two copies to camp - one for the Health Officer and one for you.
- If you alphabetize the forms prior to arrival, it can speed up the check in process!
- **All Scout medications must be in the original packaging - and this information must be signed off on the BSA medical form, in section B.**

- **Please do not allow a Scout to come to camp if they are not feeling well!**
Sunday Check In

- *Plan to arrive after 1 and before 3. The parking lot will be crowded at 1!*
- Your host will greet you at the entrance to the parking lot.
- He will then show you to your site, and your tents.
- A Leader should tour site with host, noting condition of the equipment on site check-in form. **Nothing should be hanging over the ridge pole.** Damages that occur during your stay will be charged to the troop.
- Your host will bring the troop medicals for a check by our medical staff. **Every individual Scout must be evaluated during check in, as required by the BSA.**

- **All participants will have their temperatures taken at the Health Lodge – anyone found to be outside the normal range (per camp doctor) will be asked to go home.**

- Leader reports to camp office with a Troop Roster and any receipts/checks.
- Leader will receive a color-coded wristband for every paid adult in camp.
- While Camp Leader checks-In, the SPL will supervise troop preparations for tour in consultation with the host.
- Host takes troop for medical rechecks, Dining Hall assignments, camp tour, swim tests, and camp safety lectures.
- Visitors (parent/guardians) should leave camp by 4:30 pm.
- By 5:00pm all vehicles should be returned to the parking lot.

Visitors in Camp

All visitors in camp should report to the camp office to sign in. Anyone visiting camp who cannot show proof of registration with the BSA will require an adult escort from the troop. This will be required starting Sunday at 5pm and will continue until 9am Saturday. Thus it will be best to not allow any visitors from your troop during the week. You will need to make sure all parents are aware of this new policy to prevent any unhappy situations from arising during your stay in camp. We are sorry for this inconvenience, but due to state law it will need to be enforced during the summer season.
Camp Check Out Procedures

During The Camp Session

Camper
During the week, campers may only leave with the permission of their Camp Leader. The leader and Scout must come to camp office with the parent to sign out in the camp sign-in-sign out book. It is the troop leaders’ responsibility to verify who the Scout is traveling with.

Leaders
Adults check out at camp office. If an adult is leaving camp, even for a quick trip, s/he uses the leader’s sign-in/sign-out book. This assists us in case we need to get in touch with you. Leaders checking out for good will turn in their wristband. New leaders will get their own band. All leaders must have proof of current registration with BSA.

Check Out Procedure at End of Camp

• Return any tools or supplies to the Quartermaster
• Closing Ceremonies are held after breakfast Saturday.
• Parents should plan to arrive after 9:30am.
• Campsite Host reports to site after ceremonies and completes check-out form with Scoutmaster, noting any damages or problems.
• Leader reports to camp office to pick up medical forms, medicine, merit badge cards, and other forms. Patches are handed out, please count!
• Leaders settle any financial accounts or pay for any damages at this time.
• Leaders arrange for any awards not given out at closing ceremonies.

Camp Health and Safety Information

The Boy Scouts of America have a long and proud record of concern for the safety of its Scout campers, and share with the Governmental Regulatory agencies the desire to maintain the quality of the camper's experience. The leadership that the leaders and parents in camp provide make a Boy Scout Camp unique among all types of children’s camps in the country. Add to this the presence of the staff at program areas and camp wide activities, and Boy Scout Camp becomes a remarkably safe environment for our youth.

In addition, the year-round nature of the Scouting program, the patrol method, and boy leadership give camp leaders a sound basis for determining the trustworthiness and maturity level of all campers within their charge.

Medical Examination / Medical Form - MANDATORY

| Every Scout and adult staying at camp must, upon arrival, present a completed and signed BSA Medical Form. It must be signed on the BSA form by a doctor within the last year. Everyone is given a recheck, but a full examination is not available. We recommend bringing one copy to turn into the health lodge, and one copy for you to hold onto in the site. We also recommend parents keep a copy at home. |
Medications
If a Scout requires medication it must be included in section B of his medical form.

If a Scout requires special medication, a parent/guardian may be required to come to camp, meet with the Health Officer, and sign authorization forms. This is very important!! Section B of the Medical. If it is a unique medication, these parents should call our health officer the week before arrival to clarify this information. The camp number is 908-362-6088.

Health Lodge
A properly qualified Health Officer will be available at all times. A local hospital in the town of Newton is open 24 hours a day for emergencies. The unit is expected to assist in transport of Scouts to the hospital. The camp leader must make arrangements to contact the parent/guardian of a Scout who must go to the hospital or see a doctor.

Scout or Leader Sickness
If a Scout or Leader becomes ill during their time at camp, they will be sent home.

Accident Insurance
In-Council Troops: In Council Campers and Leaders are covered by the NNJC’s accident policy that covers all Scouting activities. The same limitations apply at summer camp as during the rest of the year. Claims that exceed the limits of the policy must be borne either by the individual’s family policy or any coverage the unit may carry. Sickness is covered by family policy.

Out of Council Troops: Out of council units must provide evidence of coverage by their own council or provide their own coverage. Please send this to Northern New Jersey Council prior to your arrival at camp, and please bring a copy with you to camp and turn in at check in with the camp director.
**Fireworks**
Fireworks are absolutely not allowed.

**Fireguard**
In case of fire, notify the camp office IMMEDIATELY. Each unit is required to post a fireguard chart in their campsite, and keep all fire buckets filled. Campfires are normally permitted in the sites, but it is the Troop Leader's responsibility to insure that proper scouting safety rules are followed. Refer to your handbooks for information.

**Liquid Fuel/Propane**
Camp allows liquid fuel under proper adult supervision. Propane use is suggested, and empty cylinders should be taken home. All liquid and unused bulk propane fuels must be stored in the camp flammables shed. See quartermaster on Sunday.

**Archery/Rifle/Sheath Knives**
Personal firearms will NOT be allowed to be used at any time. Please do not bring them to camp. If brought by accident, please turn in to the Field Sports Director for storage. We discourage personal archery equipment, but if brought they must be turned in to Field Sports Director immediately on Sunday. He will decide if it may be used, but camp is not responsible for the equipment.

Please do not allow your Scouts to bring anything but a pocketknife to camp.

**Alcohol, Drugs, Etc.**
It should not have to be said in our Scouting Family, but we must remind you that Alcohol, illegal drugs, or controlled substances are absolutely forbidden to be brought to or consumed in camp. Violators will be sent home and authorities will be notified. These regulations apply to all scouts, leaders and visitors.

**Smoking**
There is no smoking allowed in any part of camp except, with limitations, the troop campsite, this includes the use of e-cigarettes. Smoking is not allowed by persons under 18. Smoking is not allowed in any camp buildings or tents. If you do need to smoke, please be very conscious of other people, and of the example you are giving. We do not smoke around Scouts or at any time when scouts can see you smoking! E-cigarettes (vaping) are considered the same as smoking.

**Vehicles**
All Vehicles must be parked in the main parking lot. No vehicles will be allowed to remain in the sites. On check-in/check-out days, 1 vehicle per troop may be allowed onto the road that leads to the a-field sites, but only with a car pass. No one under the age of 18 may drive themselves to camp.

**Trailers**
Most campsites have a place where your trailer can be left in the site. Please make sure the trailer is secured. Trailers should not be picked up until after closing retreat on Saturday.
Pets
State law does not allow for pets in camp, even by visitors.

Privacy
Basic courtesy and common sense are important in camp. The Troop campsite is that troop’s home, and other scouts may visit only if invited. Scouts should not cut through campsites. The staff area is off limits to scouts.

Electronics / Devices
Cell phones may only be used by leaders in their campsite. They are not allowed to be used in the rest of the camp. Scouts should not have their own phones, iPads, walkie-talkies etc. Outlets are available in Leaders Lounge for Leaders to charge.

Wifi / Internet Connectivity
We finally have DSL! Not great… but better than dial up! A code will be available each day at the office, leaders can use devices on the porch or in the reach of the wifi. It is not speeds you are used to! There are several restaurants in town that offer a free connection.

Footgear
Footgear must be worn in camp at all times, other than the obvious exceptions such as swimming in the lake. Aqua socks are a great idea for lake use.

CPAP Machines
You will be staying in tent campsites, so you must bring your own battery power supply system for any special breathing machines. You may charge them at the QM.

Generators
Troops may not run generators in their campsites. Anything that needs to be charged, can be done at the Quartermaster

Dining Hall Troop Plaques
Due to our limited space, plaques must be 18 inches or less in diameter, or 18 inches per side in order to be placed in our dining hall.

Local Animals in Camp
We are out in nature, there are animals. Please DO NOT allow Scouts to bring snacks and store them in your site. If you or the troop bring food, please store it in your vehicles.

Dining Hall Assignments
All food is served family style in the Dining Hall. We assign staff members to sit at your table for the week. Please be mindful of this when planning waiters / table assignments. These tables will be available during the Sunday check-in tour.
In-Camp Safety Procedures

- The buddy system is to be in effect at all times. This provides a way for a scout to secure help, should an accident occur. If a Scout should prove untrustworthy, however, closer supervision may be warranted.

- A camper's sign-in/sign-out log should be kept in the campsite. Any time a Scout is going on an activity other than with your troop, this should be recorded on the log. This will help you keep track of your Scouts' activities.

- Head counts are important in camp. They should occur at Reveille, Taps, and at all troop formations and activities.

- It is the goal of our camp for all Scouts to have a safe and healthy stay in camp. It is important, therefore, that both staff and leaders pay attention to the health and attitudes of the Scouts, in order to make sure that no problems are occurring.

- Mealtime is the ideal opportunity for health surveillance. If a Scout is not exhibiting the normally very healthy appetite of their age group, and food tastes are not involved, it would be prudent to question the scout as to how they are feeling. The Health Officer should be contacted and consulted on camper health problems.

- Take time out of each day to ask a Scout how he is feeling, being at camp for the first time can be a new experience for a lot of campers.

- Proper hygiene is essential! Keep soap stocked at your latrines, and enforce its use! Waiters will be required to wash their hands before each meal. Sanitizer stations are located in all areas and should be used!

- Be mindful of keeping the campsite clean, local wildlife enjoys full trash cans! If any wildlife in camp becomes a problem, please let the office know.

Visitors

Normal visitation at camp is limited to Sunday Check in day until 4:30 pm, and Saturday check out day from 9 am until departure. Anyone not registered with the Boy Scouts of America, or not able to produce their BSA membership card, will need an adult escort provided by the troop in order to leave the camp office area. Thus any visits during the week will need to be arranged in advance, and will be severely restricted. We have no provision for anyone other than the troop in camp to be at our campfires. Meals are not available for visitors. Meals are only provided for the number of Scouts and adults that are approved and paid for at check in with the camp director.

These rules are to help us comply with state regulations related to summer camp management, and we understand that it is a change for some troops.

Quartermaster

The Quartermaster provides toilet paper and latrine cleaning supplies. Tools and equipment are available for borrowing. Troops should bring their own American flag as well as their troop flag. It also is advisable for troops to bring rope. Service projects are conducted out of the QM – see them to sign up in advance.
Trading Post
After a lot of work – the new Trading Post will be fully operational this summer! There will be souvenirs, merit badge books, candy, soda, slush puppies, ice cream, batteries, flashlights, handicrafts, and Scout supplies available for sale. Scouts will need to have some spending money if they wish to purchase these items. ($40-$50 depending on your Scout!) This is in addition to any Merit Badge costs. The Trading Post does not accept credit or debit cards.

Dining Hall
Tables in the Dining Hall will be assigned during the check in process. All food is served family style, please plan a waiter rotation amongst your troop. Staff members will be sitting at your table with you for the week.

Dietary Needs
*Leaders: please read and share the following dietary needs with parents of all Scouts.*

Camp NoBeBoSco provides a very comprehensive menu, approved by a dietician. This menu will be available online in April.

In addition, for any lunch or dinner with meat as a main course, a vegetarian alternative will be available. All breakfast items are available without breakfast meat. There are no other options provided by the camp. If you or your child has needs that cannot be met by our food offerings, we have refrigeration and microwave ovens available in our Leader’s Lounge. You would have to coordinate these needs with your troop leaders. We do all of our own food ordering and prepare it fresh in camp. We order sufficient quantities for all persons attending camp, therefore there are no food related discounts at summer camp.

### Camp Program

**Philosophy**  
The camp staff exists to serve your troop, and to help your Scouts get the best possible experience at camp. Keep in mind, however, that the staff supplements your troop leadership—it is not a substitute for it.

### Merit Badge Information

**Requirements**  
Merit badge requirements are as stated in the current edition of the BSA Merit Badge Requirement Book. It is important that leaders advise the Scouts about requirements, advance preparation, and limitations on specific merit badges. Merit badges may only be worked on during your troops week in camp. You may not return later to finish a badge, or to hand in written requirements.
**Merit Badge Sign Up**

We feel that it is important for Scouts to choose the merit badges they want. Merit badge sign-up is very similar to the way a Scout signs up at home for a merit badge. At the scheduled merit badge time on Monday, the Scout simply shows up at the class, and presents his signed merit badge blue card to the counselor. This is all that will be required. Keep in mind that this means a Scout must get your signature--and approval--before he can take a badge.

*We reserve the right to limit a class size, or to schedule an additional class at a different time to take up overflow from a large class. This is normally not necessary for us to do.*

**Daily Records**

Records will be available in each program area during the day. Leaders are encouraged to check these records as needed. Merit badge cards will be returned in the leaders' mailboxes at the end of each week. Progress reports will be given at midweek.

**Advanced Preparation / Merit Badge Partial**

Due to the complexities and time requirements of some badges, some need work completed before or after camp. See the prerequisites page for details. Partial will be issued for those who do not complete their badges during the week. Partial is designed for a Scout to finish at home, not to be held for the next year. Partial for other camps will be honored, after demonstrating the skills. Scouts may not return to camp later in the summer to finish badges unless they sign up for another week of camp. It is also not acceptable to send requirements in the mail after you return home. We serve the scouts who are in camp the week they are in camp.

All pre-requisites will collected during the first session of the badge. They should be completed before coming to camp, not completed quickly during camp.

**Merit Badge Records**

We maintain all counselor records in camp for at least 8 years. If you have lost a completed blue card we can check the records during the summer. It is difficult to check after the summer is over.

Records of merit badge partials are kept at the NNJC office, you should contact Ann Murphy if you need to obtain a new partial. Please try to do so prior to the busy camp season.

**Changes for Cooking Merit Badge**

Cooking Merit Badge, required for Eagle, has several requirements, which make it somewhat difficult to complete during the summer camp experience. As a result, several camps have chosen not to offer it. Camp No-Be-Bo-Sco, however, will continue to offer the badge and will offer the following method to ensure that Scouts can satisfactorily complete the badge this summer. These options address how a Scout can complete Requirement #4 – Cooking at Home.

4. **Cooking at home.** Using the MyPlate food guide or the current USDA nutrition model, plan menus for three full days of meals (three breakfasts, three lunches, and three dinners) plus one dessert. Your menus should include enough to feed yourself and at least one adult, keeping in mind any special needs (such as food allergies) and how you kept your foods safe and free from cross-contamination. List the equipment and utensils needed to prepare and serve these meals.

Then do the following:

a. Create a shopping list for your meals showing the amount of food needed to prepare and serve each meal, and the cost for each meal.
b. Share and discuss your meal plan and shopping list with your counselor.
c. Using at least five of the 10 cooking methods from requirement 3, prepare and serve yourself and at least one adult (parent, family member, guardian, or other responsible adult) one breakfast, one lunch, one dinner, and one dessert from the meals you planned. *
d. Time your cooking to have each meal ready to serve at the proper time. Have an adult verify the preparation of the meal to your counselor.
e. After each meal, ask a person you served to evaluate the meal on presentation and taste, then evaluate your own meal. Discuss what you learned with your counselor, including any adjustments that could have improved or enhanced your meals. Tell how better planning and preparation help ensure a successful meal.

**Cooking Merit Badge Procedure**

The Scout will complete requirement “A” prior to June 13th. They will submit a menu and shopping list online at campnobebosco.org/cooking. That menu will then be evaluated by the Scoutcraft staff.

On Saturday, June 15th, the Scout will receive a call from the counselor to review the menu and satisfy requirement B.

- Between June 15th and the time the Scout comes to camp with his troop, the Scout will complete requirements “c” through “e”. Each step of the requirements must be documented photographically (preparation, cooking, completed meal, evaluation), and the Scout is required to bring printed photos which clearly document the process to camp with him. *We are not able to print or use digital versions in camp.*
- Once in camp, the Scout will meet with the merit badge counselor to review photos and documentation to ensure satisfactory completion.

**SCOUTS WHO DO NOT COMPLETE THIS PROCEDURE PRIOR TO CAMP WILL NOT BE ABLE TO PARTICIPATE IN THE BADGE**

We are trying very hard to make sure that Scouts are able to experience and complete the Cooking Merit Badge in the woods – at Camp No-Be-Bo-Sco! Many of our competitors have given up on this badge, but we are going to keep trying.
CAMP WIDE ACTIVITIES

Overview
A wide variety of camp wide activities will be available for your troop at camp. While the specifics of many of the activities are designed through the creative energies of the Camp Staff and the Senior Patrol Leaders Council, this guide will give you the "flavor" of what to expect this summer. Each summer we have a different theme which is blended into many of the camp activities.

Campfires
Campfires are an exciting part of the summer camp experience, and often the most memorable. You can look forward to very high quality campfires from both the staff and the scouts.

• **Sunday Evening** - Staff Campfire, with original skits performed each summer.

• **First Year Campers' Campfire** - Monday night, an entertaining "perk" for the new in camp. This campfire is specifically geared towards helping the new guys gain that special feeling for our camp.

• **Order of the Arrow Callout** - Wednesday Night, each week the Order of the Arrow holds an Indian pageant to honor all Scouts elected since the previous summer.

• **Friday Campfire** - The Friday campfire is designed by the Senior Patrol Leaders and the Camp Staff, and involves skits, songs, and cheers from both groups. It is different each week of the summer.

Camp Wide Events
Good camp wide events are essential to camp. Camp wide events are what help scouts realize that they are part of something greater than their patrol or their troop--they are part of the brotherhood of scouting. Expect a wide variety of activities.

• **Wednesday Games**
  o **Water Events** - Fun filled boating and swimming competitions.
  o **Field Games** - Including both competitive activities and teamwork builders, wide games will round out your camp experience.

• **Thursday Night Games**
  o **Troop Run events** - in a carnival, boardwalk, or fair-type setting.

• **Chapel Services** - A scout is Reverent. Each week camp will provide an "All-Faiths" service on Monday night. Catholic Mass is generally available on Sunday night.

• **Adventure Hikes** - Troop run trips to near-camp cool places!

• **Sunrise Hike** – Up the cable cut and back all before breakfast to watch sunrise atop the Kittatinny Ridge.
Troop Activities

What would camp be without the opportunity for your troop to work and play together in activities designed just for yourselves? What follows are some of the activities available, but they are not the final word. The sky is the limit—we are here to serve you and will try to assist in any activities you would like.

- **Troop Shoots** - Your troop can schedule a time for using the rifle range or the archery range during troop activity nights.

- **Troop Swim / Boating** - Enjoy the lake and all the activities. The troop provides the lifeguards!

- **Sports** - Your troop can play volleyball, or Ultimate Frisbee on our Athletic Field. You can also challenge other troops or the staff!

- **Overnighters** - Hike to a special spot in No-Be, or hike on the Appalachian Trail. We have trail tarps and food available, but troops need their own backpacks, "backpacking" stoves *if desired*, and cook kits. We border the 100,000-acre Delaware Water Gap National Recreation Area—The sky is the limit! Please let us know in advance if you plan on doing this.

- **Nature Trail/Star Hikes** - Arrange with the Nature staff.

- **Troop Campfires** - Any night is a great night for a troop campfire!! We do set aside Tuesday and Thursday evening for this purpose, however.

- **Troop Treks** - You can arrange for a "trek" to any of the local spots, including but not limited to: The Glen; Millbrook Historic Village; Delaware Water Gap Rec. Area and on the Appalachian Trail. Please note that any time out of camp could affect your merit badge work.

- **Skill Sessions** - You can arrange through your commissioner for instruction in a wide variety of scout skills.

- **Conservation Projects** - Work to improve your teamwork while helping the camp!

Patrol Activities

Camp has many opportunities for you to strengthen your troop’s patrols. Almost all of the above activities can be re-tailored to fit a patrol.

We ask that you participate in the Thursday games as a patrol.

Why not consider having a patrol cook a meal in the campsite, taking a patrol on a hike, having a patrol flag competition, taking a patrol fishing expedition, working on patrol conservation projects, or anything else you can think of?
Individual Activities

Camp provides many activities beyond merit badges that a Scout or a Scout and their buddy can work on. Here are just a few of them:

- Camp Field Sports Awards
- No-Be Achievement Awards
- Fishing
- Mile Swim
- BSA Lifeguard
- Paul Bunyan
- Totin’ Chip
- NoBe Adventurer Award
- Ocsobebon Veteran Scout Award
- Polar Bear Swim Patch
- Sunrise Hike Patch

Camp Awards

The No-Be awards program is a unique and important tradition at No-Be. There are some costs involved in purchase of award patches.

- Achievement Award
- Adventurer Award
- Trail Award
- Polar Bear Swim Patch
- Sunrise Hike Patch
- Honor Patrol
- Honor Troop

Forms for these awards are available at camp, copies are included in this guide for all except the Honor Troop Award. The Honor Troop Award encompasses the summer's "theme", and will be available at camp and at the pre-camp leaders meeting. These are summer awards only, and are not available at any other time. Patches must be purchased at the camp trading post during summer operation.

Trail to Eagle

Introduction
The Trail to Eagle program at NoBeBoSco is designed to give your older Scouts an opportunity to continue working on merit badges while at camp in order to encourage them on their "Trail to Eagle". Scouts participating in this program will not only work on merit badges, but will be recognized for their participation in the program.

Requirements
Trail to Eagle is designed for scouts who have attained the rank of Star (or have finished all requirements), and are attending a summer camp for at least the third summer. Scouts are required to attend the special Trail to Eagle training sessions. If they do not attend, they will not be able to work on the merit badges.

Trail to Eagle Orientation
There will be a meeting after dinner on Sunday night, to sign up for the Trail to Eagle program and collect merit badge perquisites. Please bring with you pre-reqs to dinner. The prerequisites should be completed before camp, and typed. All Scouts wishing to participate must attend this meeting.

Trail to Eagle Sessions (1:15 – 2:00 Monday and Tuesday)
These sessions will inform Scouts on navigating the paperwork process, selecting meaningful projects, discussing the process with Eagle Scouts, and answering any questions. Participation in these sessions are mandatory for anyone taking the Trail to Eagle badges.

This is a special program, and Trail to Eagle rules apply which can be different than the regular camp programs.

Merit Badges
Some of the merit badges that are required for Eagle are already included in our regular camp program. They are: Camping, Cooking, Emergency Preparedness, Environmental Science, First Aid, Lifesaving, Hiking and Swimming.

The SPECIAL badges offered in the Trail To Eagle program, and outlined in the schedule that follows are: Communications, Citizenship in the Community, Citizenship in the Nation, and Citizenship in the World.

These badges require more advance work than others, and we expect it to be completed at the proper level prior to coming to camp. All prerequisites for these badges will be turned in at the Trail to Eagle orientation after dinner on Sunday night. The counselor will review them to ensure they are done to the proper level. **All prerequisites for these badges MUST be typed.**

Helpful Information for Citizenship in the Nation Merit Badge

It is strongly recommended that you read the merit badge pamphlet and print a copy of the ‘workbook’ to help you prepare to take part in the ‘discussions’ of the requirements #1, 4 (a, b, c, d, e), 5 and 7 in camp. Filling in all of the boxes in the workbook will help prepare you to take part in the discussions. You will need to take an ‘active part’ in the discussion of these requirements (not just listen) in order to pass them in camp. You should separate the workbook into the parts that you will need for you to be a ‘part of the discussion’ in camp from the parts (pre-reqs) that you will have to turn in on Sunday.

You must turn in requirements #2 (2 parts), 3, 6, 7 TYPED AND PRINTED out Sunday night when you ‘sign up’ for the badge immediately after dinner. (Bring them with you to dinner.) If you do not have your pre-reqs, you will not be allowed in the merit badge class.

Req #2 – Make sure that you complete all parts of your 2 choices and give enough information about the places that you visited and/or researched that someone would want to visit themselves.

Req #3 – ‘National Evening News’ is ABC, CBS, NBC at 6:30 to 7pm. If you choose this option you must make ‘notes’ about several of the stories each night and include that in your ‘pre-reqs’.

‘Major Daily News Paper’ (e.g. New York Times, Philadelphia Inquirer, Washington Post etc) – not the local newspaper. If your family does not get a MDN every day, bring 5 Sundays in a row. You do not need to read the entire paper – just the entire ‘Front Page’. If you choose this option, you must also include some information about several stores each ‘day’ in your ‘pre-reqs.’

It is strongly recommended that you choose the ‘Major Daily Newspaper’ option and that you bring the 5 ‘front pages’ with you to camp.

-Because you are showing the results of what you have listened to for 5 half-hour sessions or read for 20 to 30 minutes, you will definitely need MORE SPACE than what is given in the workbook to show the information you have gathered. You may outline your information, but do not just list the ‘heading’ of each article.

Req #6 – Make sure that you complete all parts of the requirement – see the workbook. You will probably need more space than is provided in the workbook to adequately complete all of the parts of this requirements. Bring a copy of the speech to camp.

Req #8 – List your 2 Senators and Representative

This is a letter (a business letter) not a ‘tweet’. Set it up correctly and express how you feel about the national issue. You will need to take an ‘active part’ in the discussion of what you choose – you are trying to convince him / her to support your ‘cause.’ Do not ask their opinion – you are telling them YOUR opinion. You must actually send this letter and then bring a copy to camp. Try to send it several weeks before camp, so that you may actually get a response.
Camp No-Be-Bo-Sco Older Scout Opportunities

**Mountain Biking** (age 12 or 2nd year): We have bikes in camp, as well as safety gear. Scouts may not bring their own bikes to camp. The bikes are available to sign out at the QM for use on our trails only. Safety Course and card required.

**Contact camp director for counts if over 60 scouts.**

**PAYMENTS & REFUNDS**

There is a Non-Refundable cancellation fee of $100.00 for each registered participant or unit who cancels going to camp.

All requests for refund must be in writing. No refunds will be issued without a written request. All requests must be emailed to Ann Murphy at ann.murphy333@scouting.org or mailed to PO Box 670, Oakland, NJ 07436, ATTN: Ann Murphy.

Refunds will be issued for medical reasons, death in the family or they will be reviewed and a decision will be made based on the information we receive.

**QUESTIONS AND ANSWERS:**

**If my scout has paid and decides not to attend camp can he get a “Full” refund?**

NO. Cancellations have a Non-Refundable cancellation fee of $100.00 per session.

**Is the cancellation fee ever waived?**

Cases are considered on an individual basis and must be requested in writing.

**What about “No Shows”?**

It is the Unit Leader’s responsibility to notify the council office and the camp that there has been a change in participants before they go to camp. Without prior notification that a scout or unit will not be attending summer camp, that scout or unit will forfeit any deposits or monies that have been paid.
