

# BLUE MANATEE PRESS PROUDLY PRESENTS: LOVE BABY HEALTHY

A major part of the blue manatee press mission is to create and distribute excellent children's books that convey important, evidence-based health information for families of infants and young children in a readable, nurturing way. And so the groundbreaking series, **Love Baby Healthy**, was born.

Led by a pediatrician with unique expertise in general and health literacy, we seek to redefine how such information is shared, especially in at-risk populations. We seek partnerships with public health, pediatric, and other non-profit advocacy organizations, to help ensure that the story for all children is a happy and healthy one.

**“This warm and soothing [series] provides helpful suggestions and comforting reassurance at a time when parents need it most. A must read!” – Margaret Clark, Senior Director, Every Child Succeeds**
