Any additional comments:

- I think the session was great
- Loved it!
- Great speaker, very engaging. But content was dated and was lacking current experiential events example (Nike, etc.) from big companies. Covered a lot about engagement, but not about Event Design.
- Great speaker. Very engaging!
- Great speaker – definitely would attend another one of his talks and look forward to look up some of the book/TED talks mentioned.
- The best conference seminar I've attended ever and what I learned today from Mr. Haskett will stay with me both professionally and personally.
- Great presentation
- Too long.
- I look forward to putting some concepts in my workplace
- Excellent throughout! I needed this info for my personal business.

- Amazing session. Really kept room and people involved. Like that real-life examples applied to learning – in and outside of events
- Great job Roger!
- Would have liked more examples /ideas/talking about our roles in events and how to improve them
- This was just terrific
- This could have been longer
- Fantastic speaker – great energy
