

Fox Creed

I will be safe, respectful and responsible both out in nature and inside school.

I will not harm others, nature, or any living thing.

I will help everyone in need.

I will discover something new everyday.

I will use all materials the way they are meant to be used.

I will come prepared rain or shine.

I will include everyone, kids and adults.

I will leave no trace.

I will listen to my teachers and follow instructions.

I believe our teachers will help us to succeed.

I believe in hands-on, creative learning and will try my best no matter what.

I believe nature is the most important thing we have so I will do my part to protect the environment.

We are proud to be Fox River Academy students.
