Create a Cover or Divider Pages

A Dane County Project

- The cover should have a river theme or a writing theme, and should display the words “Yahara River Writers” and the year
- We are also looking for divider pages for the following sections: Short Story, Editorial, Cartoon and Poetry – each of those pages needs to have the category name.
- Formatting Requirements:
 - Pages should be created in a medium that is easily photocopied in black/white, for example black pen, sharpie or dark pencil.
 - Regular 8 1/2 X 11 paper will be fine
 - Leave a margin around the edges
 - The Editing Day team will select the finalists.
 - Due at the January GDCTAG Meeting
 - Please put your name, grade and school district on the BACK of your entries.
