“Try new things to achieve a look you’ve never seen.

Custom designing this marbled graphic wall mural was the fun part, getting it installed 20’ above the ground was the challenge. The impact brought this dull stairwell to new heights.”

DON'T SWEAT DARING DECISIONS

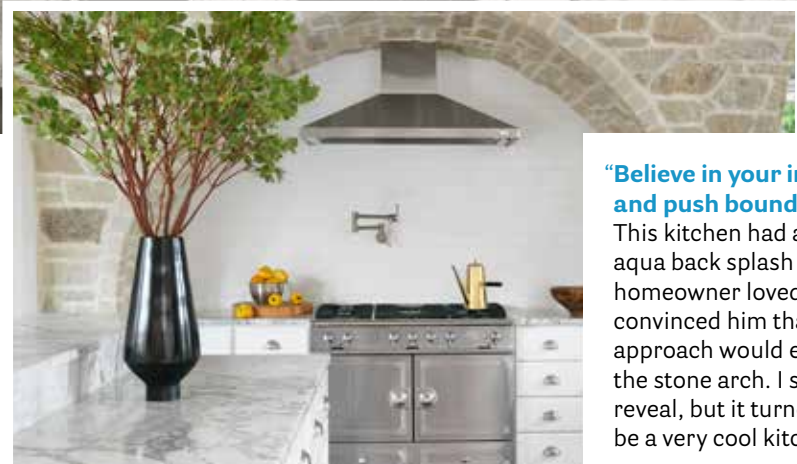

Designer and blogger **Jessie D. Miller**, aka the **Design Daredevil**, constantly finds herself in stressful situations when decorating and remodeling new homes. However, she doesn't let a little stress keep her from pushing herself and clients to be more daring. Here, Jessie shares her secrets.

“Be bold, even in traditional spaces.

Lacquering a traditional, white, dining room black from top to bottom was quite nerve-wracking, but the result was a dramatic, sexy space that the clients and I love.”

“Believe in your instincts and push boundaries.

This kitchen had a bright aqua back splash that the homeowner loved, but I convinced him that a new approach would enhance the stone arch. I sweat the reveal, but it turned out to be a very cool kitchen.”

Now, stress sweat won't keep you from being daring like Jessie. Secret Clinical delivers 4X the stress sweat protection versus the wetness protection required of an ordinary antiperspirant—and it will last all day! LEARN MORE AT SECRET.COM.

2X the wetness protection that lasts & lasts

Secret Clinical offers 2X the wetness protection required of an ordinary antiperspirant, making midday wetness breakthroughs a thing of the past.
