

Presidents' Website Info

Good day fellow Rotarians.

The time to begin searching for students for next summer's RYLA Academy has arrived. The cost to sponsor a student will remain at \$450 this year. We are increasing enrollment to 200 students due to requests from all three districts. The RYLA academy will be held on **two different dates**. This year we will hold a RYLA academy on **June 25-28, 2017 AND July 9-12, 2017**. So you will have two dates to offer your students. They may choose one or the other. We will, however, be limiting our enrollment in each of the academies to 100. So, registrations will be noted in the order they are received. As in the past, the academy will be held at William Woods University in Fulton, Missouri.

We have attached a document with suggestions on how to choose your student. Please look it over. It is done differently throughout the clubs in Missouri. You know your community best, so do what works for you. The outcome, however, is to choose a student with a heart for service.

Here is a brief walk through of the website.

PLEASE NOTE: The RYLA website is down for updates to accommodate two academies. Registration will begin on January 1, 2017.

Please let us know if you have any questions.
