LOVE/HATE List.

Ready for a change? Looking for a new job. Learn from your past to make the right choice for your future. This simple list has a big impact. Follow steps below!

1. Write down the things you LOVE about your current and/or jobs of the past.

2. Write down the things you HATE about your current and/or jobs of the past.

3. Look for opportunities that support your LOVE side. The more LOVE in a job the closer you are to your passion.

LOVE	HATE
