

Precinct Chairs & Block Captains

All politics is local. One of the most effective ways to impact elections is to represent the Dallas County Republican Party (DCRP) as a Precinct Chair or Block Captain. Each role centers within the neighborhood where you live. The goal is to increase Republican voter turnout and involvement. If you are civically-minded and want to make a difference, we need you!

What is a Precinct Chair?

A Precinct Chair oversees voter registration and maximizes voter turnout within a precinct. This is a partnership with the Dallas County Republican Party to impact elections and improve our community.

What is a Block Captain?

A Block Captain has similar responsibilities as a Precinct Chair but generally oversees a segment of the precinct. Note, however, not all precincts currently have Precinct Chairs.

Sample tasks for both positions include:

- Introduce yourself to Republican neighbors through contact lists provided by DCRP
- Invite likeminded neighbors to become more engaged and informed at House Meetings
- Register new Republican voters
- Distribute campaign materials or coordinate task with other volunteers
- Encourage Republican voters to Get Out and Vote!
- Serve as Election Judge or Election Clerk at your local polling location

Join our movement to chart a better Dallas County. Our grassroots community welcomes you. Let's work together to expand the GOP base and bolster conservative victories. Time is now!
