## Local efforts to address the opiate misuse crisis

### Cascade Pacific Action Alliance Regional Opioid Response
Grays Harbor County Public Health & Social Services
Grays Harbor Social Services works with partners in Thurston, Mason, Lewis, Pacific, Wahkiakum and Cowlitz counties to implement a regional opioid response funded through the State’s Medicaid Transformation Demonstration project.

### Medication Assisted Treatment
- **Evergreen Treatment**
  - Dr. Worth
  - Dr. Grant
  - Dr. Shin
  - These providers offer evidence-based treatment for opiate use disorders.

### Gray’s Harbor County Jail Opiate Intervention Program
Grays Harbor County Jail
- Reduces recidivism caused by opiate use disorder. The program also prevents opioid overdose deaths by providing inmates information and referral to treatment resources in the community. In some cases, medication assisted treatment is available for persons in custody.

### My Town Coalition
Grays Harbor County Public Health & Social Services
- Provide leadership and partnerships to implement strategies that promote a healthier community and improve student success.

### Opioid Action Team
Grays Harbor County Public Health & Social Services
- Developing a comprehensive and strategic plan for naloxone distribution.

### Outpatient Opiate Use Disorder Treatment
- **Sea Mar**
  - A First Place
  - Lifeline Connections
  - HarborCrest
- Assessment, diagnosis, and treatment for opiate use disorder using traditional clinical approaches.

### Inpatient Opiate Use Disorder Treatment
HarborCrest
- For some persons more seriously impacted by opiate use disorder, inpatient services are recommended. Often preceded by services at a detoxification center.

### Syringe Services Program
Grays Harbor County Public Health & Social Services
- A harm-reduction strategy to prevent disease transmission, provide information and referral to persons with opioid use disorder. Naloxone distribution.

### Therapeutic Courts
Aberdeen Community Court
Grays Harbor County Prosecutor’s Diversion Program
Felony Drug Court (planned - 2018)
- Hold individuals with substance use disorders accountable for criminal behavior and connect them with treatment services.
